

SENATE No. 407

The Commonwealth of Massachusetts

PRESENTED BY:

Bruce E. Tarr

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act relative to the creation of a special commission on coastal erosion.

PETITION OF:

NAME:

DISTRICT/ADDRESS:

Bruce E. Tarr

First Essex and Middlesex

James M. Cantwell

4th Plymouth

SENATE No. 407

By Mr. Tarr, a petition (accompanied by bill, Senate, No. 407) of Bruce E. Tarr and James M. Cantwell for legislation relative to the creation of a special commission on coastal erosion. Environment, Natural Resources and Agriculture.

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to the creation of a special commission on coastal erosion.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1: Notwithstanding any general or special law to the contrary there is hereby
2 established a special commission on coastal erosion defense, which shall investigate and
3 document the levels and impacts of coastal erosion in the commonwealth, and develop a strategy
4 and recommendations to reduce, minimize or eliminate the magnitude and frequency of coastal
5 erosion and its adverse impacts on property, infrastructure, public safety and beaches and dunes.

6 In the performance of its mission, said commission shall make a reasonable assessment of
7 coastal erosion, and a corresponding appraisal of the financial amount of damage to property,
8 infrastructure and beach and dune resources which has been sustained from 1978 to the present,
9 and a reasonable estimate of the value of damage likely to occur in the next ten years under
10 current conditions, regulations and laws.

11 Based on such assessments, said commission shall evaluate all current rules, regulations
12 and laws governing the materials, methodologies and means which may be used to guard against
13 and reduce or eliminate the impacts of coastal erosion, and shall examine any possible changes,
14 expansions, reductions and laws which would improve the ability of municipalities and private
15 property owners to guard against or reduce or eliminate the impacts of coastal erosion without
16 undue adverse environmental impacts. The commission shall focus particularly on increasing the
17 availability of cost-effective measures to protect against coastal erosion.

18 The commission shall consist of the Secretary of Energy and Environmental Affairs or a
19 designee, the director of the Massachusetts Office of Coastal Zone Management, the
20 Commissioner of the Department of Conservation and Recreation, three elected municipal

21 officials from coastal communities appointed by the Governor, two conservation agents from
22 coastal communities appointed by the Governor, a representative of a membership based
23 environmental organization appointed by the Governor, a representative of coastal property
24 owners in the Commonwealth appointed by the Governor, a coastal geologist with relevant
25 experience and knowledge pertaining to coastal erosion appointed by the Governor, a civil
26 engineer with relevant experience and knowledge pertaining to coastal erosion appointed by the
27 Governor, and a representative of the citizens of the Commonwealth appointed by the Governor.

28 The Executive Office of Energy and Environmental Affairs and its subdivisions shall
29 provide technical support to the commission.

30 The commission shall file its report, together with recommendations for changes to
31 improve protection against coastal erosion with the clerks of the House and Senate not later than
32 eight months following the passage of this act.
