104 penalty not to exceed \$100 per day. The division shall make public all of the information  
105 collected under this section. The division shall issue an annual summary report to the joint  
106 committee on financial services, the joint committee on health care financing and the house and

111 The commissioner may adopt rules to carry out this subsection, including standards and

114 and uniform allocation methodologies among carriers.

115 The commissioner shall establish a formula to determine the amount of reserves,  
116 allocated on an annual basis, to each risk bearing provider organization by each carrier that has

118 allocated shall be based on the proportion of risk that the carrier is shifting to the certified risk  
119 bearing provider organization. The division shall promulgate rules to carry out the provision of  
120 this subsection, which shall include reporting of such information as part of its requirements for  
121 approval of a risk bearing provider organization under section 3(c) of chapter 176T.

122 The division shall, before adopting regulations under this subsection, consult with other

125 duplicative.

126 (d) If, in any year, a carrier reports a risk-based capital ratio on a combined entity basis  
127 under subsection (a) that exceeds 600 per cent, the division shall hold a public hearing within 60  
128 days. Each carrier that exceeds 600 per cent shall be publicly listed on the division's website.  
129 The carrier shall submit testimony on its overall financial condition and the continued need for  
130 additional surplus. The carrier shall also submit testimony on how, and in what proportion to the  
131 total surplus accumulated, the carrier will dedicate additional surplus to reducing the cost of  
132 health benefit plans. The division shall review such testimony and issue a final report on the  
133 results of the hearing. The division's report shall be made publicly available on the division's  
134 website.

135 (e) The commissioner may waive specific reporting requirements in this section for  
136 classes of carriers for which the commissioner deems such reporting requirements to be  
137 inapplicable; provided, however, that the commissioner shall provide written notice of any such  
138 waiver to the joint committee on health care financing and the house and senate committees on  
139 ways and means.

140 SECTION 2. The commissioner of insurance shall promulgate regulations to enforce the  
141 provisions of this act no later than 90 days after the effective date, which shall be effective for  
142 provider contracts which are entered into, renewed, or amended on or after the regulations  
143 effective date.
