Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 44 of the General Laws is hereby amended by inserting after
2 section 53E 3/4 the following new section:

3 Section 53E7/8: (a) Notwithstanding the provisions of section 53, a city or town may

5 agency, board, department or office which shall be accounted for separately from all other
6 monies in the city or town and to which shall be credited any sums as may from time to time be
7 provided by appropriation, as well as from repayment of any and all filing fees, fees for serving

14 be made unless approved in accordance with section 41, 42, 52 and 56 of chapter 41.

15 (b) Interest earned on any tax title collection revolving fund balance shall be treated as
16 general fund revenue of the city or town. No such tax title collection revolving fund may be

established if the aggregate limit of all revolving funds authorized under this section exceeds 1 per cent of the amount raised by taxation by the city or town in the most recent fiscal year for which a tax rate has been certified under section 23 of chapter 59. No tax title collection revolving fund expenditures shall be made for the purpose of paying any wages or salaries for full time employees.

(c) A tax title collection revolving fund established under this section shall be by vote of the annual town meeting in a town, upon recommendation of the board of selectmen, and by vote of the city council in a city, upon recommendation of the mayor or city manager, in Plan E cities, and in any other city or town by vote of the legislative body upon the recommendation of the chief administrative or executive officer. Such authorization shall be made annually prior to each respective fiscal year; provided, however, that authorization for a tax title collection revolving fund shall specify: (1) the purpose for which the tax title collection revolving funds may be expended; (2) the departmental receipts that shall be credited to the tax title collection revolving fund; (3) the board, department or officer authorized to expend from such fund; (4) a limit on the total amount which may be expended from the fund in the ensuing fiscal year; and provided, further that no board, department or officer shall be authorized to expend in any one fiscal year from all revolving funds under its direct control more than 1 per cent of the amount raised by taxation by the city or town in the most recent fiscal year for which a tax rate has been certified under section 23 of chapter 59.

(d) In any fiscal year the limit on the amount that may be spent from a tax title collection revolving fund may be increased with the approval of the city council and mayor in a city, or with the approval of the selectmen and finance committee, if any, in a town; provided, however, that the 1 percent limit established by clause (4) of subsection (c) is not exceeded.

(f) At the close of a fiscal year in which the tax title collection revolving fund is not reauthorized for the following year, the balance in the fund at the end of that fiscal year shall revert to surplus revenue unless the annual town meeting or the city council and mayor or city manager in a Plan E city and in any other city or town the legislative body vote to transfer such balance to another revolving fund established under chapter 44 section 53E1/2.

54 The director of accounts may issue guidelines further regulating a tax title collection
55 revolving fund established under this section.

56 SECTION 2. For the purposes of establishing a tax title collection revolving fund under
57 this act during the year it is enacted by the legislature and signed by the governor, a town by

65 proposed revolving fund has not been used as a local estimated receipt, offset receipt, enterprise
