Section 27A. The board of higher education, in consultation with the executive office of education, the department of elementary and secondary education, and the executive office of health and human services shall take steps necessary to include students with intellectual disabilities, autism spectrum disorders, and other developmental disabilities in the residence life of all public institutions of higher education, with accommodations, supports, and services necessary to enable inclusive dormitory living.

SECTION 11 Chapter 71B of the General Laws is hereby amended by inserting after
Section 16 the following section: -

Section 17: Inclusive Concurrent Enrollment

(a) Subject to appropriation, the Executive Office of Education shall develop and
administer a discretionary grant program to provide monies to school committees and state
public institutions of higher education partnering together to offer inclusive concurrent
enrollment program options for school-aged children with disabilities ages 18 to 22, inclusive;
provided:

(1) that the grant program shall be limited to said students who are considered to have
severe intellectual disabilities, autism spectrum disorders, or other developmental disabilities;
and

(2) in the case of students aged 18-19, the grant program shall be further limited to
students with severe disabilities who have been unable to achieve the competency determination
necessary to pass the statewide assessment test pursuant to section 1Dof chapter 69 of the
general laws. .

(b) The goal of the grant program shall be for school committees to partner with
institutions of higher education to provide a free appropriate public education in the least
restrictive environment that meets the transition needs of students with severe intellectual
disabilities, autism spectrum disorders, or other developmental disabilities, and to support their
academic success, participation in student life of the college community, and competitive
employment. This shall be achieved by fully including said students in higher education
institutions by requiring the following:

(1) development of partnerships between institutions of higher education and school committees which also include any relevant agency serving students with severe intellectual disabilities, autism spectrum disorders, and other developmental disabilities, including but not limited to a vocational rehabilitation agency;

(2) enrollment in credit-bearing and non-credit courses that include students without disabilities including enrollment in credit-bearing courses in audit status for students who may not meet course prerequisites;

(3) participation in on-campus student life activities;

(4) adequate preparation for competitive employment;

(5) waiver of tuition for all courses by the institution of higher education;

(6) provision of supports and services necessary to facilitate a student's enrollment and support inclusion in academic courses, extracurricular activities, internships, work experiences, and other aspects of the institution of higher education's regular postsecondary program;

(7) training and technical assistance for teachers, faculty and personnel regarding strategy and teaching methodology to achieve successful inclusion of individuals with severe intellectual disabilities, autism spectrum disorders, and other developmental disabilities;

(8) that students with severe intellectual disabilities, autism spectrum disorders, and other developmental disabilities be socially and academically integrated with nondisabled students to the maximum extent possible; and institutions of higher education may choose to engage students pursuing study in the areas of special education, general education, vocational rehabilitation, assistive technology, psychology, or related fields;

(9) utilization of person-centered planning in the development of the course of study for each participating student.

(c) The Executive Office of Education, in consultation with the Department of Elementary and Secondary Education, the Department of Higher Education and the Inclusive Concurrent Enrollment Advisory Board, shall develop guidelines to ensure that the grant program meets this goal.

(d) Subject to appropriation, the Executive Office of Education shall designate an Inclusive Concurrent Enrollment Coordinator to manage grant administration and coordinate reporting. The Executive Office of Education shall notify all participating school committees and institutions of higher education of the name and contact information for the Inclusive Concurrent Enrollment Coordinator.

(e) The Executive Office of Education shall establish an Inclusive Concurrent Enrollment Advisory Board to evaluate and to advise the Executive Office of Education on efforts to implement inclusive concurrent enrollment and to participate in educational outreach efforts on inclusive concurrent enrollment. The Inclusive Concurrent Enrollment Advisory Board shall include representatives of school districts and colleges and universities where the inclusive concurrent enrollment program has been successfully implemented, two former or current students who have participated in an inclusive concurrent enrollment program, the co-chairs of the joint committee on Education or designees, the co-chairs of the joint committee on Higher Education or designees, the Commissioner of Higher Education or designee, the Commissioner of Elementary and Secondary Education or designee, the Secretary of Education or designee, the Commissioner of the Department of Development Disability Services or designee, the

139 Commissioner of the Massachusetts Rehabilitation Commission or designee, a representative of
140 Massachusetts Advocates for Children, a representative of the Federation for Students with
141 Special Needs, a representative of the Institute for Community Inclusion, and the Inclusive
142 Concurrent Enrollment Coordinator. The Inclusive Concurrent Enrollment Advisory Board shall
143 meet quarterly.

144 (f) The Inclusive Concurrent Enrollment Coordinator, in consultation with the
145 Department of Elementary and Secondary Education, the Department of Higher Education and
146 the Inclusive Concurrent Enrollment Advisory Board, shall develop strategies and procedures
147 designed to assist institutions of higher education in sustaining, expanding and replicating
148 inclusive concurrent enrollment partnerships established through the Executive Office of
149 Education's discretionary grant program. Strategies and procedures shall include but not be
150 limited to:

151 (1) provision of continued grant funding for partnerships between institutions of higher
152 education and school committees that have developed inclusive concurrent enrollment programs
153 in order to sustain the existing programs and to retain employment specialists to assist students in
154 meeting competitive employment and other transition-related goals;

155 (2) adoption of procedures and funding mechanisms to ensure that new partnerships
156 providing inclusive concurrent enrollment programs fully utilize the models and expertise
157 developed in existing partnerships to ensure that all programs are successful and sustainable;

158 (3) development of a mechanism to encourage existing and new partnerships to expand
159 capacity to respond to school committees and individual parents who are not currently

160 benefitting from those partnerships and who request an opportunity for their children to
161 participate in inclusive concurrent enrollment;

162 (4) outreach to institutions of higher education and school committees that are not
163 currently participating in inclusive concurrent enrollment, with intent to encourage such
164 institutions of higher education and school committees to offer inclusive concurrent enrollment
165 programming;

166 (5) addressing of challenges frequently faced by institutions of higher education and
167 newly created inclusive concurrent enrollment programs and a compilation of best practices to
168 address these difficulties;

169 (6) for those institutions that offer residential life for students, the integration of students
170 with severe intellectual disabilities, autism spectrum disorders, and other developmental
171 disabilities into the housing offered to nondisabled students with the accommodations, supports,
172 and services necessary to enable inclusive dormitory living.

173 (g) The executive office of education shall distribute strategies and procedures developed
174 pursuant to subsection (f) to all public colleges and universities in the Commonwealth annually.

175 (h) The executive office of education shall select grant recipients no later than July 15 of
176 each year.

177 (i) The executive office of education, in consultation with the department of elementary
178 and secondary education and the department of higher education, shall make a report available
179 online on the status of the grant program annually, no later than March 15. The report shall
180 include but not be limited to the following components:

181 (1) enrollment data that details the number of students enrolled in inclusive concurrent
182 enrollment each semester and the unduplicated count of total students served at each institution;

183 (2) a list of all full-time and part-time employment positions supported by the grant
184 program that are dedicated to supporting students with severe disabilities through the inclusive
185 concurrent enrollment program and the average salary for those positions including but not
186 limited to:

187 (i) educational coaches;

188 (ii) educational specialists;

189 (iii) job coaches and vocational specialists;

190 (iv) program specialists;

191 (v) program directors;

192 (vi) peer mentors, note-takers, and tutors;

193 (vii) contracted employees;

194 (viii) parent and school committee liaisons.

195 (3) a list of all courses taken by all students participating in the inclusive concurrent
196 enrollment program during the academic year with indication as to whether the student attempted
197 the course for credit or for audit and whether the student passed or completed the course;

198 (4) a summary of innovative strategies and practices implemented at each institution of
199 higher education that helped foster their relationship with school committees or helped students
200 succeed;

201 (5) employment data for students and graduates, obtained to the best of the ability of the
202 school committee and the institution of higher education;

203 (6) a report detailing the amount of grant funds allocated to each institution of higher
204 education in the planning and implementation phases, the amount allocated to the department of
205 elementary and secondary education and the department of higher education, and the amount
206 allocated to the executive office of education.

207 SECTION 12. The executive office of education shall promulgate guidelines pursuant to
208 section 17 of chapter 71B of the General Laws on or before January 1, 2015.

209 SECTION 13. Section 2 of Chapter 71B of the General Laws, as so appearing, is hereby
210 amended by inserting the following phrase after the tenth item of the third paragraph:-

211 ; and (12) For older students ages 18-22, options including continuing education,
212 enrollment in credit and noncredit courses that include students without disabilities in an
213 institution of higher education, development of independent living skills, development of skills
214 necessary for seeking, obtaining, and maintaining jobs, development of skills to access
215 community services, and development of skills for self-management of medical needs.
