SECTION 2. (a) There shall be a scholarship fund to be known as the Fred Boyce, State Boys, and the Residents of Fernald School Scholarship Fund, hereinafter referred to as the scholarship fund. Two scholarships shall be awarded each year to students who are studying in areas related to developmental disabilities; one to a student at the graduate school of social work at Salem State University and one to a student at the University of Massachusetts Medical School at Worcester. Each scholarship shall be funded by the scholarship fund and shall cover the total cost of tuition and fees required to obtain a degree.

The scholarship fund shall be administered by the board of higher education. The board shall promulgate guidelines governing the scholarship fund. The guidelines shall include, but need not be limited to, procedures for selecting participants among eligible applicants, and measures to deal with situations in which a participant ceases to comply with program requirements.
