An Act amending the definition of "uneconomic" in Chapter 40B, so called.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The definition of “Uneconomic” in section 20 of chapter 40B of the
2 General Laws, as appearing in the 2012 Official Edition, is hereby amended by adding the
3 following sentence:—

4 Notwithstanding the foregoing, no condition or regulation imposed by a board of zoning
5 appeals shall be deemed to render a low or moderate income housing project uneconomic if such
6 condition or regulation: (1) in the opinion of the zoning board of appeals, imposes reasonable
7 limitations concerning the bulk and height of structures, yard sizes, lot areas, setbacks, open
8 space, parking and building coverage; and (2) in the opinion of the zoning board of appeals,
9 operates to prevent the development of a parcel that is physically or environmentally unsuitable
10 for the density of development proposed.

11 SECTION 2. Said section 20 of said chapter 40B, as so appearing, is hereby further
12 amended by inserting after the word “needs” in line 43 the following:— or (3) in the imposition
13 of such rules or regulations, as may be varied in whole or in part, in the opinion of the zoning
14 board of appeals, reasonably balances the regional need for low or moderate income housing
15 with a municipality’s reasonable limitations concerning the bulk and height of structures, yard
16 sizes, lot areas, setbacks, open space, parking and building coverage; or (4) operates to prevent
17 the development of a parcel that is, in the opinion of the zoning board of appeals, physically or
18 environmentally unsuitable for the density of development proposed.

20 SECTION 3. Section 23 of said chapter 40B, as so appearing, is hereby amended by
21 adding the following paragraph:—

22 No decision by a board of appeals to deny a comprehensive permit shall be vacated, nor
23 shall a decision by a board of appeals to approve a comprehensive permit with conditions and
24 requirements imposed be ordered modified, where said board of appeals includes as a basis for
25 its decision the need to deny or condition said comprehensive permit due to factors relating to the
26 bulk and height of structures, yard sizes, lot areas, setbacks, open space, parking and building
27 coverage or environmental suitability of the parcel or overall density of the proposed project.
