An Act relative to vacant, foreclosing and foreclosed property in the Commonwealth.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Whereas, The deferred operation of this act would tend to defeat its purpose, which is  
2   forthwith to protect citizens of the Commonwealth and Municipalities impacted by the mortgage  
3   foreclosure crisis by further expanding existing options for Municipalities to further specify and  
4   ensure compliance with state sanitary code, therefore it is hereby declared to be an emergency  
5   law, necessary for the immediate preservation of the public convenience.

6           Be it enacted by the Senate and House of Representatives in General Court assembled,  
7   and by the authority of the same, as follows:

11   municipal options; vacant and foreclosing property code enforcement”

(a) For purposes of this section, the following terms shall have the following meanings unless the context clearly requires otherwise:

"VACANT PROPERTY" shall mean structure or building not legally occupied.

(b) Any city or town which accepts the provisions of this section may impose a vacant, foreclosing and foreclosed property registration and security program as provided in section (b and c) of this chapter.

All responsible parties must register vacant, foreclosing or foreclosed residential properties with Commissioner on forms provided by the Commissioner. All registrations must provide the Commissioner with the name, local (within 20 miles of the Property) address, and telephone number of the Responsible Party or their local agent who can be contacted in case of emergency. The responsible party must also obtain a certificate of compliance that the property was inspected and identify whether the property is vacant. If the property is vacant, the registration must designate a local individual or local property management company responsible for the security and maintenance of the property. This designation must state the individual or company's name, phone number and local mailing address.

This registration must be received within thirty days of the property becoming vacant, foreclosing or foreclosed.

All property registrations are valid for one year. An annual registration fee to be set by the municipality must accompany the registration form. The fee and registration are valid for the calendar year, or remaining portion of the calendar year in which the registration was initially required. Subsequent registrations and fees are due by the first (1st) day of January of each year and must certify whether the foreclosed property remains vacant.

Once the property is sold or is no longer vacant, the responsible party must provide proof of sale or written notice of occupancy to the Commissioner.

(c) Properties subject to this section must be maintained in accordance with all applicable Sanitary, Building Codes, and local regulations and the following requirements.

The responsible party or local agent must cause the property to be inspected on a monthly basis until sold or no longer vacant.

Maintain liability insurance on the Property and furnish the Commissioner with a copy of said certificate of insurance; and,

The property must contain a posting with the name and twenty-four (24) hour contact phone number of the local individual or property management company responsible for the maintenance. The sign must also indicate the name, address and telephone number of the property responsible party and the responsible party's authorized agent for the purpose of service of process. This sign must be posted on the front of the property so it is clearly visible from the street.

If the Commissioner determines that a Property has been abandoned but Occupants remain, and conditions of disrepair threaten the health and safety of the occupants: the Commissioner shall notify the Responsible Party of the conditions of disrepair in writing. The Responsible Party will then have fifteen (15) days to comply with the requirements set forth in this Section.

The Commissioner, upon being informed of the existence of a Vacant, Foreclosing or Foreclosed Property without a Certificate of Compliance, shall cause notice to issue to the

96 Responsible Party of the status of said Property and shall order said Responsible Party to  
97 immediately obtain a Certificate of Compliance. If any Responsible Party fails to comply with  
98 said order, Commissioner or agents thereof may enter the Property to inspect, and further may  
99 seek court orders to enter upon the premises to secure, clean and remove any pools of stagnant  
100 water and otherwise enforce the Sanitary Code.

101 Compliance with this section shall not relieve the responsible party of any other  
102 obligation set forth in statute, regulation, covenant conditions and restrictions and/or  
103 homeowners' association rules and regulations.

104 Maintenance of Vacant Properties. In addition to the requirements of This Section, the  
105 Responsible Party, within fifteen (15) days of the property becoming vacant, shall:

106 (1) As may be required by the Commissioner, file one set of space utilization floor  
107 plans for any Buildings on said Vacant Property with the Commissioner and one set of said plans  
108 with the Commissioner. The Responsible Party shall certify space utilization plans as accurate  
109 twice annually, in January and July; and

110 (2) At the discretion of the Commissioner, secure all windows and door openings and  
111 ensure that the Property is secured from all unauthorized entry continuously in accordance with  
112 the United States Fire Administration, National Arson Initiative Board up Procedures or provide  
113 twenty-four (24) hour on-site security personnel on the Property; and,

114 (3) Post "No Trespassing" signs on the Property; and

(4) Maintain the Property in accordance with this section, free of overgrowth, trash and debris, and pools of stagnant water, and ensure that structures are maintained in a structurally sound condition; and

When required pursuant to this section, signs or markings shall be applied on the front of the Property, and elsewhere as the Commissioner may require, at or above the second floor level and shall not be placed over doors, windows, or other openings. All signs/markings shall be visible from the street and, when requested by the Commissioner, shall be placed on the sides and rear of the Property. Signs/Markings shall be a minimum of 24 inches by 24 inches, with lines of two-inch width, and shall have a reflective background, or be painted with reflective paint, in contrasting colors. Signs/Markings shall be applied directly on the surface of the Property and shall state the date of posting and the most recent date of inspection by the Commissioner.

The Commissioner shall have the authority and the duty to inspect properties subject to this section for compliance and to issue citations for any violations. The Commissioner shall have the discretion to determine when and how such inspections are to be made, provided that their policies are reasonably calculated to ensure the enforcement of this section.

The Responsible Party of a Vacant, Foreclosing or Foreclosed Property who fails to obtain a Certificate of Compliance as required herein, shall be liable to the City or Town for expenses incurred by the City or Town in securing such Property, and for costs of bringing the property in compliance with this section. The Commissioner shall provide the Responsible Party with a written statement of all costs associated with inspecting, securing and marking the Property, and for costs of bringing the property in compliance with this section. The

137 Commissioner shall record the notice of claim in the appropriate Country Registry of Deeds  
138 forthwith, and shall have the right to file a civil action in the Housing Court or District Court  
139 with jurisdiction to establish a lien on the Property for the balance due.

140 No Responsible Party for a Vacant, Foreclosing, Foreclosed Property shall allow said  
141 Property to become or remain unsecured, or to contain an accumulation of rubbish, or to contain  
142 overgrowth, or to have a stagnant pool of water or otherwise not maintain the property in  
143 accordance with the Sanitary Code. If it appears that any vacant or foreclosing Property is  
144 unsecured, contains rubbish, overgrowth, or a stagnant pool of water, the Commissioner shall  
145 send written notification to the Responsible Party, requiring that the Responsible Party promptly  
146 secure the Property, remove the rubbish or overgrowth, or abate the stagnant pool of water or  
147 other non-compliance with the Sanitary Code.

148 All unsecured Vacant, Foreclosing or Foreclosed Properties shall be immediately referred  
149 to the Commissioner for a determination relative to whether the Property is a nuisance or  
150 dangerous pursuant to M.G.L. c. 139 and procedures promulgated thereunder.

151 Notices required pursuant to this section shall be served in one of the following manners:

152 (1) Personally on any Responsible Party, or on the contact person specified by such  
153 Responsible Party pursuant to this Section; or

155 individual; or

(3) Sent by certified or registered mail, return receipt requested, to the principal place of business within or without the Commonwealth of any Responsible Party who is an entity, if such principal place of business is known; or,

This Section may also be enforced by civil, criminal process or non-criminal process, including injunctive relief. The Commissioner shall be the enforcing person for purposes of this section.

Violations of this chapter shall be treated as a strict liability offence regardless of intent.

The Commissioner shall provide the Responsible Party with a written statement of all costs associated with inspecting, securing and marking the Property, and for costs of bringing the property in compliance with this section. If the Responsible Party fails to pay or reimburse the City or town within seven days of notice of expenses, the City or town shall draw down upon the bond paid by the Responsible Party. If there is no bond available, the Commissioner shall record the notice of claim in the appropriate Country Registry of Deeds forthwith, and shall have the right to file a civil action in the Housing Court or District Court with jurisdiction to establish a lien on the Property for the balance due.

198           If the Responsible Party fails to comply with any order issued pursuant to this Section,  
199   the Commissioner may immediately seek to obtain the proceeds secured by the bond filed  
200   pursuant to This Section herein and shall enter upon the premises and cause the Property to be  
201   inspected, secured and marked, and further may seek court orders to enter upon the premises to  
202   secure, clean, and remove any rubbish or overgrowth, or abate any pools of stagnant water or

211   section shall take effect on the first day of the first calendar month after the date of such  
212   acceptance; if such date is at least 15 days after such acceptance; and provided further, that if  
213   such date is less than 15 days after such acceptance, it shall take effect on the first day of the  
214   second calendar month following such acceptance.

215           SECTION 2. This act shall take effect upon its passage.
