46 systems and information to be provided. They shall be issued in the form and manner prescribed
47 in sections 2A½ and 2B, in so far as they are applicable, and shall be directed to the government
48 office or public official making application for the warrant, which shall serve the warrant upon
49 the corporation or other entity.

50 (g) Not later than 7 days after information described in paragraphs (1) to (6), inclusive, of
51 subsection (b) is obtained by a government office or public official pursuant to a warrant under

52 this section, that office or official shall serve upon, or deliver by registered or first-class mail,
53 electronic mail, or other means reasonably calculated to be effective as specified by the court
54 issuing the warrant to the customer or subscriber a copy of the warrant, a copy of the application
55 for the warrant and notice that informs the customer or subscriber of the following:

56 (1) the nature of the law enforcement inquiry with reasonable specificity;

57 (2) that information maintained for the customer or subscriber by the provider of an
58 electronic communications service, remote computing service or location information service
59 was requested by or supplied to that government office or public official, and a description of
60 that information;

61 (3) the dates on which the request was made and on which the information was
62 supplied;

64 (h); and

65 (5) which court made the certification or determination under which that delay was
66 made, if applicable.

67 (h) A government office or public official may include in its application for a warrant a
68 request for an order delaying the notification required under subsection (g) for a period not to
69 exceed 90 days, and the court shall issue the order if it determines there is reason to believe that
70 notification of the existence of the warrant may have an adverse result. Upon expiration of any
71 period of delay granted under this subsection, the government office or public official shall

provide the customer or subscriber a copy of the warrant together with notice required under, and by the means described in, subsection (g).

(i) A government office or public official may include in its application for a warrant a request for an order directing a corporation to which a warrant is directed not to notify any other person of the existence of the warrant for a period of not more than 90 days, and the court shall issue the order if the court determines that there is reason to believe that notification of the existence of the warrant will have an adverse result.

(j) The court may, upon application, grant 1 or more extensions of orders granted under subsections (h) and (i) for an additional 90 days if the court determines that there is reason to believe that notification of the existence of the warrant will have an adverse result.

(1) with the specific contemporaneous consent of the owner or user of the electronic communications device concerned;

(2) in order to respond to the user's call for emergency services; or

(3) if it reasonably believes that an emergency involving immediate danger of death or serious physical injury to any person requires obtaining without delay information relating to the emergency; provided, however, that the request is narrowly tailored to address the emergency and subject to the following limitations:

(i) the request shall document the factual basis for believing that an emergency involving immediate danger of death or serious physical injury to a person requires obtaining without delay of the information relating to the emergency; and

(ii) not later than 48 hours after the government office obtains access to records, it shall file with the appropriate court a signed, sworn statement of a supervisory official of a rank designated by the head of the office setting forth the grounds for the emergency access.

(1) On the second Friday of January of each calendar year, any judge issuing or denying a warrant under this section during the preceding calendar year shall report on each such warrant to the office of court management within the trial court:

(1) the fact that the warrant was applied for;

(2) the identity of the agency making the application;

(3) the offense specified in the warrant or application therefor;

(4) the nature of the facilities from which or the place where the information was to be obtained;

(5) the fact that the warrant was granted as applied for, was modified or was denied;

(6) the period of disclosures authorized by the warrant, and the number and duration of any extensions of the warrant; and

(7) any order directing delayed notification of the warrant's existence.

In June of each year, beginning in 2016, the court administrator in the office of court management within the trial court shall transmit to the legislature a full and complete report

concerning the number of applications for warrants authorizing or requiring the disclosure of information described in paragraphs (1) to (6), inclusive, of subsection (b) under this act. The reports shall include a summary and analysis of the data required to be filed with that office. The reports shall be filed with the offices of the clerk of the house and the senate and shall be public records. The court administrator in the office of court management within the trial court shall issue guidance regarding the form of the reports.

(m) Except in a judicial proceeding alleging a violation of this section, no information obtained in violation of this section and no information provided beyond the scope of the materials authorized to be obtained shall be admissible in any criminal, civil, administrative or other proceeding.
