An Act to benefit the Health Safety Net Trust Fund.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1	SECTION 1. The Center for Health Information and Analysis shall amend the Health
2	Safety Net Payments and Funding regulations (114.6 CMR 14.00) in order to increase the
3	revenue available for provider payments and to reduce the Health Safety Net fund's shortfall

5 a) Establish a new Large Physician Organizations Assessment that creates a \$20,000,000 6 annual liability for independent physician organizations with more than 500 physician members 7 that is not a corporate affiliate of or otherwise controlled by a licensed acute care hospital. A 8 physician organization - whether a parent physician group or a local practice group as defined by 9 the Center for Health Information and Analysis - shall be considered independent, however 10 organized, so long as such practice is owned and controlled by one or more of the practitioners 11 so associated. Such independent physician organizations shall be exempt from liability for this 12 new assessment if their percentage of gross billed charges for services reimbursed by the state

Office of Medicaid is equal to or greater than 15% of their total gross billed charges for thatfiscal year.

15	b) Ensure that such Large Physician Organizations who contribute to the Health Safety
16	Net under subsection (a) are reimbursed for uncompensated care in a manner consistent with
17	payments made to hospitals and community health centers under 114.6 CMR 14.00, the
18	Massachusetts Section 1115 Demonstration Waiver governing safety net care, or any other
19	federally required limit on payments under 42 U.S.C.1396a(a)(13) or 42 CFR 447.
