By Mr. Puppolo of Springfield, a petition (accompanied by bill, House, No. 2041) of Angelo J. Puppolo, Jr., and others for legislation to authorize pharmacists to perform certain medical procedures. Public Health.

**The Commonwealth of Massachusetts**

In the One Hundred and Eighty-Ninth General Court
(2015-2016)

An Act recognizing pharmacists as healthcare providers.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1. **SECTION 1.** The definition “Health care provider” in section 1 of chapter 111 of the General Laws is hereby amended by inserting after the words “registered nurse,” the following words:- registered pharmacist.

2. **SECTION 2.** Chapter 118E of the General Laws is hereby amended by inserting, after section 10G, the following section:-

3. Section 10H. The division shall provide coverage to patients diagnosed with one or more chronic disease for drug therapy management services by a registered pharmacist acting under a signed agreement as provided in sections 24B1/2 of chapter 112.

4. **SECTION 3.** Chapter 32A of the General Laws is hereby amended by inserting, after section 17K, the following section:-
Section 17L. The commission shall provide coverage to patients diagnosed with one or more chronic disease for drug therapy management services by a registered pharmacist acting under a signed agreement as provided in sections 24B1/2 of chapter 112.

SECTION 4. (a) Subsection (c) of Section 24B1/2 of Chapter 112 of the General Laws is hereby amended by striking out, after the work "physician", the following words:- for asthma, chronic obstructive pulmonary disease, diabetes, hypertension, hyperlipidemia, congestive heart failure, HIV or AIDS, osteoporosis and co-morbidities identified by the supervising physician for the individual patient along with the primary diagnosis.

(b) Section 24B1/2 of Chapter 112 is further amended by inserting at the end of subsection (c) the following sentence:- A pharmacist in the retail setting, who has a collaborative practice agreement with a supervising physician, may administer drugs and biological products that have been ordered by the supervising physician.

SECTION 5. Chapter 94C of the General Laws is hereby amended by inserting, after section 19A, the following section:-

Section 19B. (a) Notwithstanding any other law, a licensed pharmacist may dispense self-administered hormonal contraceptives in accordance with written, standardized procedures or protocols developed by an actively practicing physician registered with the commissioner to distribute or dispense a controlled substance in the course of professional practice pursuant to section 7 if such procedures or protocols are filed at the pharmacist’s place of practice and with the board of registration in pharmacy before implementation.

(b) Before dispensing self-administered hormonal contraceptives authorized under this section, a pharmacist shall complete a training program approved by the commissioner, which
shall include but not be limited to proper documentation, quality assurance, and referral to
additional services, including appropriate recommendation that the patient follow-up with a
medical practitioner.

(c) A pharmacist dispensing self-administered hormonal contraceptives under this section
shall annually provide to the department of public health the number of times such self-
administered hormonal contraceptives is dispensed. Reports made pursuant to this section shall
not identify any individual patient, shall be confidential and shall not be public records as
defined by clause twenty-sixth of section 7 of chapter 4.

(d) The department of public health, board of registration in medicine, and board of
registration in pharmacy shall adopt regulations to implement this section.

SECTION 6. Chapter 94C of the General Laws is hereby amended by inserting, after
section 19B, the following section:-

Section 19C. (a) Notwithstanding any other law, a licensed pharmacist may dispense
Nicotine replacement products in accordance with written, standardized procedures or protocols
developed by an actively practicing physician registered with the commissioner to distribute or
dispense a controlled substance in the course of professional practice pursuant to section 7 if
such procedures or protocols are filed at the pharmacist’s place of practice and with the board of
registration in pharmacy before implementation.

(b) Before dispensing Nicotine replacement products authorized under this section, a
pharmacist shall complete a training program approved by the commissioner, which shall include
but not be limited to proper documentation, quality assurance, and referral to additional services,
including appropriate recommendation that the patient follow-up with a medical practitioner.
(c) A pharmacist dispensing Nicotine replacement products under this section shall annually provide to the department of public health the number of times such Nicotine replacement products is dispensed. Reports made pursuant to this section shall not identify any individual patient, shall be confidential and shall not be public records as defined by clause twenty-sixth of section 7 of chapter 4.

(d) The department of public health, board of registration in medicine, and board of registration in pharmacy shall adopt regulations to implement this section.
