The Commonwealth of Massachusetts

In the One Hundred and Eighty-Ninth General Court
(2015-2016)

An Act to promote responsible contracting on state construction projects.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapters 149, 149a and Chapter 30 Section 39m are hereby amended by adding the
2 following sections:

3 Section 1 . Because of the expenditure of substantial public funds for public construction
4 projects and in to ensure trained work force for the future; it is in the public's interest, as well as
5 public health, welfare and safety, to ensure that the employees on such projects are paid at the
6 lawfully required prevailing wage rates; have been trained in bona fide state-registered
7 apprenticeship programs; have health insurance coverage; are provided industrial accident
8 coverage; and are properly classified as employees and not as independent contractors.

Section 2 .Compliance of Bidders and Subcontractors. All bidders and all subcontractors on all state contracts for construction under Chapters 149, 149a and Chapter 30 section 39m. shall, at the time of bid, agree in writing that they shall comply with the following:

a. The bidder and all subcontractors under the bidder shall comply with the responsible employer requirements set forth below.

b. The bidder and all subcontractors under the bidder shall comply with provisions of M.G.L. Ch. 149 and shall pay the appropriate lawful prevailing wage rates to their employees.

c. The bidder and all subcontractors under the bidder awarded a contract shall, to the extent consistent with applicable law, give special consideration to recruit and hire qualified workers who are residents of the Commonwealth for each apprenticeable trade or occupation represented in their workforce.

d. The bidder and all subcontractors under the bidder shall maintain or participate in a bona fide and active apprentice training program as defined by M.G.L. Ch. 23, Sec. 11H and 11I for each apprenticeable trade or occupation represented in their workforce that is approved by the Division of Apprentice Training of the Department of Labor and Workforce Development of the Commonwealth of Massachusetts and shall abide by the apprentice to journeymen ratio for each trade prescribed therein in the performance of the contract. For the purposes of this paragraph, the word “active” shall mean an apprentice training program which is registered with the division for recruitment, selection, employment, training, and qualification of apprentices and which has successfully completed one (1) year of initial approval and registration with the division and achieved permanent status.

e. The bidder and all subcontractors shall have hospitalization and medical benefits that meet the minimum requirements of the Connector Board established by Chapter 58 of the Acts of 2006.

f. The bidder and all subcontractors under the bidder shall maintain appropriate industrial accident insurance coverage for all the employees employed on the project in accordance with M.G.L. Ch. 152.

g. The bidder and all subcontractors under the bidder shall properly classify employees employed on the project as employees rather than independent contractors and shall properly classify said employees accordingly for purposes of workers' compensation insurance coverage, employment taxes, Social Security taxes and income tax withholding pursuant to M.G.L. Ch. 149, Sec. 148B.

h. The bidder and all subcontractors shall ensure that all employees have the appropriate and required licenses for their position.

i. All bidders and all subcontractors under the bidders who are awarded contracts pursuant to these bid documents shall comply with these Responsible Employer Requirements for the duration of their work on the project, and an officer of each such contractor or subcontractor shall certify under oath and in writing on a weekly basis that they are in compliance with the Requirements.

II. Requirements Before Bid Opening. All bidders and all subcontractors under the bidders shall provide documentation and shall certify in writing that they are in compliance with these Responsible Employer Requirements before the bid opening.

51

52 III. Job Site “Harmony” Certification. The bidder and all subcontractors shall certify
53 in writing that their employees shall be able to work in harmony with employees of all other
54 subcontractors on the job site. “Harmony” means that the presence of any subcontractor’s
55 employees shall not result in any picket line, work stoppage or any other form of labor
56 demonstrated on the job site of labor organizations representing the trades and/or crafts of the
57 employees on the job sites.

58 IV. Health Insurance. With the submission of bids, the bidder shall submit a written
59 statement detailing for each trade that it will employ in the performance of the contract, the
60 health insurance that it will furnish to its employees. The statement shall include, but not be
61 limited to, the name of the insurance carrier, if any, a copy of the insurance binder, a description
62 of the benefits provided to the employees, including all co-payments and deductibles, the cost of
63 the insurance to the bidder and to the employee, the minimum qualifications for the coverage,
64 and a statement as to whether or not the coverage meets the standards for minimum creditable
65 coverage under Massachusetts law. If the bidder is awarded a contract, such health insurance
66 policy will become part of the contract documents. Receipt of the policy by the awarding
67 authority and inclusion in the contract document shall not be deemed to be approval by the
68 awarding authority of the insurance or of its sufficiency and shall in no event relieve the bidder
69 of its responsibility to furnish comprehensive health insurance to its employees. Any bidder who
70 contributes to a multi-employer health and welfare trust fund pursuant to a collective bargaining
71 agreement may satisfy the reporting requirements of this subsection by identifying said health
72 and welfare fund.

73

74 V. Penalties and Enforcement.

76 project and who fails to comply with any of the obligations set forth herein shall, by decision of
77 the Commonwealth be subject to one or more of the following:

79 Any fine imposed which is not paid in full by the violator shall be offset by the Commonwealth
80 against any payment due to the contractor under the contract for the project, to the extent allowed
81 by law.

90 any of the obligations set forth in these Responsible Employer Requirements shall be barred

92 years for a second violation, and permanently for a third violation, to the extent permissible by
93 law.
