An Act relative to net metering.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 1. Chapter 164 of the General Laws shall be amended in section 139 by adding  
2 the following language: -

3           “(j) Notwithstanding the aggregate net metering capacity limits specified in subsection  
4 (f), any on-site renewable energy source which is determined by the administrator of the net  
5 metering system of assurance to otherwise meet the qualifications for net metering cap allocation  
6 shall qualify for net metering provided such determination is obtained on or before December 31,  
7 2016.”
