An Act relative to providing generators to persons in assisted living facilities.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 16 of chapter 19D of the General Laws, as appearing in the 2012 Official Edition,  
2 is hereby amended by adding the following paragraph:-

3           Assisted living residences shall provide emergency electrical power generation to supply  
4 heating equipment needed to maintain a minimum temperature of 70°F in any living unit and  
5 common area.
