6 reduced balance due following the partial payment.

8 inserting after the word “tax”, in line 9, the following words:- ;provided that such interest

10 program and any partial payments made thereunder.

11 SECTION 3. Section 57B of said chapter 59, as so appearing, is hereby amended by
12 adding after the word “tax”, in line 9, the following words:- ; provided that such interest
13 calculations shall be reduced pursuant to the adoption of a municipal tax partial payment
14 program and any partial payments made thereunder.

15 SECTION 4. Section 57C of said chapter 59, as so appearing, is hereby amended by
16 inserting after the word “interest”, in line 136, the following words:- ; provided that such interest
17 calculations shall be reduced pursuant to the adoption of a municipal tax partial payment
18 program and any partial payments made thereunder.

19 SECTION 5. chapter 60 of the General Laws, as so appearing, is hereby amended by
20 striking out section 22 and inserting in place thereof the following section:-

21 Section 22. After the commitment of a tax, including assessments for betterments or other
22 purposes, to a collector for collection, the owner of the estate or person assessed or a person in
23 behalf of said owner or person may, if the tax is a tax upon real estate, at any time and from time
24 to time up to the date when an advertisement is prepared for the sale or taking of the real estate
25 for the nonpayment of such tax or up to the date when the tax is certified under section sixty-one,

28 collector a partial payment of the tax, which shall be received, receipted for and applied toward
29 the payment of the tax. The acceptance of any partial payment in accordance with this section
30 shall not invalidate any demand made for a tax, prior to the acceptance of such partial payment;
31 provided that the amount stated in the demand was the amount due at the date when the demand
32 was made. If in any court it shall be determined that the tax is more than the amount so paid,

33 judgment shall be entered for such excess and interest upon the amount thereof to the date of the
34 judgment, and on the amount paid to the date of payment, with costs if otherwise recoverable.
35 The part payment authorized by this section shall not affect a right of tender, lien or other
36 provision of law for the recovery of the amount of such tax, or interest or costs thereon,
37 remaining due, but if the part payment is more than the tax, as finally determined, the excess,
38 without interest, shall be repaid to the person who paid it.
