HOUSE . . . . . No. 3514

By Mr. Pignatelli of Lenox, a petition (accompanied by bill, House, No. 3514) of William Smitty Pignatelli and others relative to the value of classic or antique vehicles in calculating the sales tax. Revenue.

The Commonwealth of Massachusetts

In the One Hundred and Eighty-Ninth General Court
(2015-2016)

An Act relative to the sales tax of motor vehicles.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

The second paragraph of section 4 of chapter 64I of the General Laws, as appearing in the 2012 Official Edition, is hereby amended by striking out the last sentence and inserting in place thereof the following sentence:- The commissioner: (1) shall establish rules and regulations for accepting values below these values for motor vehicles over 25-years old, which may otherwise be considered classic cars or antique motor cars, that shall be based on the condition of the vehicle at the time of sale instead of the clean trade-in-value; and (2) may establish other rules and regulations for accepting values below these values for other motor vehicles based on the condition of the vehicle at the time of sale or other factors as may be appropriate.
