HOUSE No. 3624

By Mr. Rogers of Norwood, a petition (subject to Joint Rule 12) of John H. Rogers relative to the employment status of certain former public employees. Public Service.

The Commonwealth of Massachusetts

**In the One Hundred and Eighty-Ninth General Court
(2015-2016)**

An Act relative to the allowance of a former public employee upon re-entering public service to be vested for retirement upon payment of a full buy back of the necessary years to be vested and eligible for retirement upon re-entering public service.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 32 of the General Laws, as appearing in the 2012 Official Edition is hereby
2 amended as that portion that requires an individual re-entering public service regardless of how
3 much they pay to buy back into the system must work two years to be reinstated and fully vested
4 for retirement eligibility, by inserting an exemption from the requirement of the additional two
5 year work period for someone who has attained the age threshold (age 60) and fully buys back
6 into the system for all years necessary to fill the gap in years of service between their last public
7 service employment and the current public service employment, allowing the person to be fully
8 vested and eligible for retirement upon making said full payment into the retirement system
9 under their current public service employment; thereby allowing those people that have
10 successfully bought back 100% of their credible time and who were vested in the Public
11 Retirement System to retain their eligibility, absent of the two year service period.
