CHARLES D. BAKER  
GOVERNOR

OFFICE OF THE GOVERNOR  
COMMONWEALTH OF MASSACHUSETTS  
, MA

KARYN POLITO  
LIEUTENANT GOVERNOR

*October 14, 2015*

To the Honorable Senate and House of Representatives,

I am filing for your consideration a bill entitled “An Act to Permit the Issuance of REAL ID-Compliant Licenses and Identification Cards.”

This legislation is necessary to ensure that Massachusetts driver’s licenses and identification cards continue to be recognized as valid forms of identification for access to federal office buildings and by the Transportation and Security Administration for air travel.

In 2005, the federal government enacted the REAL ID Act, which followed the recommendations of the 9/11 Commission. The REAL ID Act sets security standards that are mandatory for any state driver’s license or identification card to be recognized for official, federal purposes, such as entering a federal building or boarding a commercial aircraft. The REAL ID Act also sets a deadline for states to comply with its requirements.

Like the majority of other states, Massachusetts has received an extension from the Department of Homeland Security in order to implement the legislative and regulatory changes necessary to comply with the federal requirements. That extension expires this month. In order to obtain a further extension, the Commonwealth needs to demonstrate progress toward REAL ID compliance.

This legislation is a critical step in that process. It will grant the registry of motor vehicles the authority to meet the federal requirement of issuing learner’s permits, driver’s licenses and identification cards that have an expiration date that coincides with the applicant’s

authorized length of stay in the United States. Currently, under Massachusetts law, any license or identification card issued by the registrar is valid for a period of five years, regardless of the duration of the applicant's authorized length of stay in the United States. This legislation will allow a non-US citizen, with an acceptable visa status, to receive a REAL ID credential that will expire at the end of his or her authorized stay in the United States. Visitors and persons authorized to remain in the United States for less than 1 year will continue to be able to operate a motor vehicle legally in Massachusetts by carrying their foreign license.

This bill authorizes the RMV to implement changes to comply with the federal REAL ID requirements. I urge your prompt enactment of this legislation.

Sincerely,

Charles D. Baker,  
*Governor*

22 SECTION 4. Section 8 of said chapter 90, as so appearing, is hereby amended by  
23 striking out the last 4 paragraphs and inserting in place thereof the following 7 paragraphs:–

24 A license or any renewal thereof issued to an operator shall be valid from the date of  
25 issuance and shall expire on a date to be determined by the registrar which may not be more than  
26 60 months from the date of issue, provided that the registrar may authorize a 1-year extension of  
27 the period of license validity for a licensee who has undergone medical treatment for an illness  
28 resulting in temporary changes to the physical characteristics of the applicant that would be  
29 apparent in an image captured by the registrar, as authorized by chapter 432 of the acts of 2014.  
30 The license issued to an operator born on February 29 shall, for the purpose of this section,  
31 expire on March 1. An applicant for the renewal of a license 75 years of age or older shall apply  
32 for a renewal in person at a registry branch office.

34 shall be signed by the applicant under oath. Only a resident of Massachusetts is eligible to apply  
35 for a driver's license issued by the registrar. If the applicant is under age 18, the application shall

37 or guardian or other person standing in place of a parent of the applicant. The photograph or  
38 facial image of the applicant required to be made a part of any license issued by this section shall  
39 be retained for the period required by regulations of the registrar even if a driver's license is not  
40 issued.

41 The registrar may issue more than one type of license, in such form and type as may be  
42 prescribed by the registrar. The registrar shall issue one type of license that is compliant with the  
43 provisions of the REAL ID Act. An applicant for such license shall provide documentation and

49 No license of any type may be issued to a person who does not have lawful status in the  
50 United States; provided, however, that licenses that exist as of the effective date of this  
51 paragraph may be renewed as Massachusetts licenses without the license holder providing proof  
52 of lawful status or the expiration date of an authorized stay.

53 The registrar may issue a license of any type for a term of less than 60 months to a  
54 resident of Massachusetts who has lawful status in the United States for a period of at least 12

57 documents or information provided to the registrar. If said licensee is authorized to stay in the  
58 United States for at least 12 months but lacks acceptable evidence of a specific date by which  
59 such stay in the United States shall be terminated, any license issued shall expire not later than

63 coterminous with the expiration of the authorized stay. All licenses issued for less than 60  
64 months in duration shall be marked as temporary.

71 shall take and pass a vision test administered by the registry; provided, however, that except as  
72 required by the registrar in regulations, an applicant may provide a vision screening certificate,  
73 signed by an optometrist or ophthalmologist to demonstrate compliance with minimum visual  
74 standards to obtain and hold a license. Such vision screening certificate shall not be deemed  
75 invalid by the registrar solely because it contains an electronic signature.

76 SECTION 5. Section 8B of said chapter 90, as so appearing, is hereby amended by  
77 inserting in line 42, after the word, “occurs,” the following words:– , except that no permit shall

108 registrar and shall be signed by the applicant under oath. If the applicant is under age 18, the  
109 application shall be accompanied by the written consent, in such form as the registrar shall  
110 determine, of a parent or guardian or other person standing in place of a parent of the applicant.  
111 The photograph or facial image of the applicant required to be made a part of any identification  
112 card issued by this section shall be retained with the application for the period required by

126 such card. The registrar may issue an identification card for a term of less than 60 months to a  
127 resident of Massachusetts who is legally authorized to stay in the United States for a period of at

133 issued shall expire no later than 12 months from the date of issue. No identification card of less  
134 than 60 months in duration can be renewed for any period unless the card holder provides  
135 documentation satisfactory to the registrar that the card holder is authorized to remain in the  
136 United States. Any such identification card expiration shall have an expiration date coterminous  
137 with the expiration of the authorized stay. All identification cards issued for a duration of less  
138 than 60 months shall be marked as temporary.

145 issue. A copy of such rules and regulations attested by the registrar shall be prima facie evidence  
146 that they have been made as provided by law. This section shall not be construed as giving the  
147 registrar power to regulate the speed at which motor vehicles may be operated on the public  
148 ways.

149           SECTION 10. Section 34B of chapter 138 of the General Laws, as so appearing, is  
150 hereby amended by inserting after the third sentence the following sentence:—
