An Act relative to special education funding.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 2 of chapter 70 of the General Law, as appearing in the 2010  
2 Official Edition, is hereby amended by striking out the definitions of “assumed tuitioned-out  
3 special education enrollment” and “assumed in-school special education enrollment” and  
4 inserting in place thereof the following definitions:-

5           "Assumed tuitioned-out special education enrollment”, the statewide average percentage  
6 of students included in foundation enrollments who participate in an Individual Education Plan  
7 and attend an out-of-district placement. The percentage shall be based on the statewide average  
8 tuitioned-out special education enrollment for the preceding academic year, or the statewide  
9 average tuitioned-out special education enrollment for the preceding fiscal year, whichever is  
10 lower.

11           "Assumed in-school special education enrollment", the statewide average percentage of  
12 students included in foundation enrollments who participate in an Individual Education Plan and

13 attend an in-district placement. The percentage shall be based on the statewide average in-school  
14 special education enrollment for the preceding academic year, or the statewide average in-school  
15 special education enrollment for the preceding fiscal year, whichever is lower.

16 SECTION 2. Section 5A (a) of chapter 71B, as so appearing, is hereby amended by  
17 striking out the fourth sentence.

18 SECTION 3. Section 5A (b) of chapter 71B, as so appearing, is hereby amended by  
19 striking out the words “transportation costs” from the third sentence.

20 SECTION 4. Section 5A (c) of chapter 71B, as so appearing, is hereby amended by  
21 striking out the last sentence of the first paragraph and inserting in place thereof the following  
22 sentence:-

23 The costs of programs shall be reimbursed according to the following formula: In fiscal  
24 year 2016 school districts will receive eighty percent of approved costs, including transportation  
25 costs, if the city, town, or district utilizes a regional transportation network to reduce  
26 transportation costs or other collaborative and demonstrated efforts to reduce such costs, above

27 3.75 times the per pupil foundation budget; eighty percent of all such costs above 3.5  
28 times the per pupil foundation budget for fiscal year 2017; eighty percent of all such costs above
