OFFICE OF THE GOVERNOR
COMMONWEALTH OF MASSACHUSETTS
STATE HOUSE · BOSTON, MA 02133

KARYN POLITO
LIEUTENANT GOVERNOR

February 12, 2016

To the Honorable Senate and House of Representatives,

I am filing for your consideration a bill entitled “An Act Making Appropriations for the Fiscal Year 2016 to Provide for Supplementing Certain Existing Appropriations and for Certain Other Activities and Projects.”

This bill consists of routine midyear appropriations for identified deficiencies. The majority of these deficiencies are in three areas: emergency assistance and shelter-diversion costs (\$44 million), representation of indigent defendants (\$40 million), and recognized sheriffs’ deficiencies (\$28 million).

In addition, the legislation proposes funding for the following:

- \$16 million for incremental costs of collective bargaining agreements;
- \$15 million for services provided by the Department of Children and Families;
- \$13 million for legal settlements and judgments;
- \$4 million for Department of Transitional Assistance costs related primarily to complying with federal requirements for the SNAP program;
- \$2 million for the Plymouth District Attorney’s moving costs;

- \$2 million for unanticipated costs of administering MCAS and PARCC tests;
- \$1 million for remaining projected Department of Corrections deficiencies after implementation of a mitigation plan;
- \$870,000 for costs of the Department of Fish and Game, paid out of the Inland Fisheries and Game Fund;
- \$200,000 to hire more Sex Offender Registry Board hearing officers and thereby reduce backlogs in hearings; and
- Other authorizations and technical corrections including authority to spend previously-identified funds for Department of Corrections pharmacy costs, MassHealth transferability, and authorization to direct FEMA funds from last winter's storms to future snow and ice costs.

This legislation would also authorize the Department of Youth Services to provide services to individuals previously served by the Department up until age 22. It also ensures that the Commonwealth complies with the federal Workforce Innovation and Opportunity Act by the federally-imposed deadline of June 30, 2016.

In total, the legislation I am filing includes supplemental funding requests of \$169.5 million (\$165.5 million net). Sufficient revenues are estimated to be available to finance these appropriations.

In addition, I am recommending that two fiscal year 2016 appropriations be continued into fiscal year 2017, in connection with my fiscal year 2017 proposed budget.

Because many of the fiscal year 2016 items require supplemental funding by the end of March, I urge you to enact this legislation promptly.

Respectfully submitted,

Charles D. Baker,
Governor
