(2015-2016)**

An Act authorizing the commissioner of capital asset management and maintenance to transfer certain parcels of land in the city of Westfield to the office of the Chief Medical Examiner and the department of youth services.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to facilitate the use of state property for critical public functions, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

12 the existing storage building and other buildings on the parcel may continue to be used by the
13 department of public health until such time as they are no longer needed by said department.
