Each state committee shall adopt a system set forth in written rules and procedures covering all aspects of the ward and town committee member selection process and a copy of such rules and procedures shall be filled with the state secretary on or before October first of the year preceding the year in which presidential electors are to be elected. If any member changes his residence from the ward or town in which he was selected or appointed during the said four years, he shall cease to be a member at the end of the calendar year during which said residence is changed. If any member, whether originally selected or appointed or chosen to fill a vacancy, cancels or changes his party enrolment he shall forthwith cease to be a member of said committee.

For the purposes of this chapter, notwithstanding the fact that ward lines in a city have been redistricted subsequent to a presidential primary, members of ward committees selected or appointed from wards in existence at the time of a presidential primary shall continue to represent said wards until their successors shall have been selected or appointed and organized under the redistricted ward lines at the time of a presidential primary next following said redistricting.
