An Act establishing tracking and reporting requirements for Massachusetts transportation fuels and associated greenhouse gas emissions.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. The Department of Environmental Protection shall promulgate regulations

9 collected or computed by the Department of Environmental Protection pursuant to the  
10 regulations required by Section 1 shall be published by the Department in an annual report that is  
11 available to the public.

12           SECTION 3. The regulations required by Section 1 shall be promulgated within 180 days
