157 to reevaluation, the individualized education program from the child’s school of origin shall

200 participate in the development of the case plan and to state the child’s preference(s) for initial

203 department shall ask any child, age 7 or older, in private, to state the child’s preference(s) for  
204 initial and any subsequent placement or custody.

208 of the case plan and to state the parent’s preference(s) for initial and any subsequent placement  
209 or custody of the child.

213 child and make placement changes as appropriate based on the outcome of that investigation.  
214 Specific reasons for placement decisions must be documented in writing in the case file,  
215 including the reasons for rejecting placements identified by the child and/or parent(s).

216 (l) The department shall provide to each child a free credit report, pursuant to the

219 commonwealth, to determine whether identity theft has occurred and to correct all erroneous  
220 entries on said child’s credit record. If the credit report displays other negative or erroneous

222 record, including, but not limited to, legal and other advocacy fees.

226 receipt of the credit report in order to correct any erroneous items; and (iii) make each annual  
227 credit report request not later than 60 days after the child’s birthday, or 60 days after the child’s  
228 entry or re-entry into custody.”.

229 (m) The department shall ensure that the placement of a child in foster care takes into  
230 account the appropriateness of the current educational setting and the proximity to the school in  
231 which the child is enrolled at the time of each placement; coordinate with the appropriate local  
232 educational agencies to ensure that the child remains in the school which the child is enrolled in  
233 at the time of each placement; or, if remaining in such school is not in the best interests of the

234 child, ensure that the child is immediately and appropriately enrolled in a new school and that all  
235 of the child’s educational records have been provided to the school.

250 department and their siblings or half-siblings and children placed by a court in the custody or  
251 under the guardianship of a relative or other suitable person, in the development of the plan.  
252 Such efforts shall include, but not be limited to: (a) encourage the parents or guardian and the  
253 children to participate in the development and review of the plan and attempting to obtain the  
254 parents’ or guardian’s signatures documenting their review of the plan; (b) obtain information  
255 through separate and private conversations from the child and the parents about potential kin or

257 for the child; and (c) if either the parents or child is not involved in the development of the plan,  
258 the reasons shall be documented.”.

259 SECTION 17. Section 3 of chapter 210 of the General Laws, as most recently  
260 amended by chapter 93 of the acts of 2011, is hereby amended by inserting at the end thereof the  
261 following paragraph:-

262 “(e) If at least two years have passed since the court entered an order under this  
263 chapter or chapter 119 terminating parental rights, the child whose parents were the subject of  
264 that order may file a motion requesting that the court vacate the order with respect to one or both  
265 of the child’s former parents, but only if all of the following apply:

- 266 i. The child is at least 12 years of age;
- 267 ii. The court has determined after a hearing under section 29B of chapter 119 that  
268 adoption is no longer the permanency plan for the child; and

270 entered an order terminating the parental rights of the child’s adoptive parents or the adoptive  
271 parents have voluntarily surrendered their parental rights.

272 The child shall sign the motion in the absence of a showing of good cause as to why the  
273 child could not do so. The court shall order that an evidentiary hearing be held and give notice of  
274 the hearing to whichever of the child’s former parents the motion relates, with notice being  
275 provided in the manner prescribed for a petition filed under section 24. Neither parent shall be  
276 considered a party for the purpose of the motion, nor shall either have an independent right to be

277 heard, though a parent’s testimony may be offered into evidence if the parent is called as a  
278 witness by a party. The court shall grant the motion if it determines by a preponderance of  
279 evidence that vacating the order terminating parental rights is in the child’s best interests. The  
280 court shall specify in writing the factual basis for its determination. As soon as practicable after  
281 granting the motion, the court shall enter a new dispositional order under section 26(b), provided  
282 that the order is in the best interests of the child. For purposes of this paragraph, the term “child”

285 mentoring/life-coach program for children in the custody of the department to encourage and  
286 create life-long connections for every child aging out of the department’s care and custody. The  
287 department shall work with private and non-profit organizations that have a proven track record  
288 of creating such a bond for children.

289                   SECTION 19. The secretary of the executive office of health and human
