5 general public, in accordance with the provisions of section 9B; 1 of whom shall be a member of  
6 the banking industry; 1 of whom shall represent an appraisal management company; and 5 of

8 shall be licensed or certified pursuant to sections 173 to 195, inclusive, of chapter 112.

9 (b) The term of each appointed member shall be 3 years. Upon expiration of their terms,  
10 members of the board shall continue to hold office until the appointment and qualification of  
11 their successors. No person shall serve as a member of the board for more than 2 consecutive  
12 terms. The governor may remove a member for cause.

13 (c) Each member of the board shall be paid for expenses actually incurred in the  
14 performance of official duties.

15 (d) The board shall annually elect a chairperson from among its members. The director of  
16 the department of professional licensure, with approval of the board, shall appoint an executive  
17 secretary to serve the board. The department of professional licensure shall employ such other  
18 clerical and technical assistants as may be necessary to discharge the official duties of the board.

19 (e) The board shall hold at least 6 meetings each year and may hold special meetings as  
20 required at a time and place determined by the board.

21 SECTION 2. Chapter 112 of the General Laws is hereby amended by inserting after

132 Section 266. The board shall have the authority to adopt rules and regulations that are  
133 reasonable and necessary to implement, administer, and enforce the provisions of sections 264 to  
134 277.

135           Section 267. (a) A person desiring to be registered as an appraisal management company  
136 in the commonwealth shall make written application to the board on forms prescribed by the

157 request that it receives, the name of the appraiser that performs the residential real estate  
158 appraisal services for the appraisal management company and a complete digital copy of every  
159 version of the appraisal report completed by the appraiser.

160 (c) A person who, directly or indirectly owns more than 10 per cent of an  
161 applicant for registration, or any officer, controlling person, employee in charge or managing  
162 principal of an applicant for registration, shall at a minimum, furnish to the Board information  
163 concerning the person's identity, including fingerprints for submission to the Federal Bureau of  
164 Investigation, and any governmental agency or entity authorized to receive such information for  
165 a state, national and international criminal history background check. A person who, directly or  
166 indirectly owns more than 10 per cent of an applicant for registration, or any officer, controlling  
167 person, employee in charge or managing principal of an applicant for registration, who has had a  
168 license or certificate to act as an appraiser or to engage in any activity related to the transfer of  
169 real property refused, denied, canceled or revoked in the commonwealth or in any other state,  
170 whether on a temporary or permanent basis or, who is not of good moral character as determined  
171 by the board, shall not be eligible for registration.

172 (d) Each applicant for registration shall submit the name and address of the  
173 applicant's registered agent located in the commonwealth.

174 (e) A registrant having a good faith belief that a real estate appraiser licensed in  
175 the commonwealth has violated applicable law or the Uniform Standards of Professional  
176 Appraisal Practice or engaged in unethical conduct shall, within 45 days of identifying such  
177 violation, file a complaint with the board.

178 Section 268. An appraisal management company applying to the board for registration in  
179 the commonwealth shall designate 1 controlling person that shall be the main contact for all  
180 communication between the board and the appraisal management company. The controlling  
181 person may also be designated the employee in charge.

182 Section 269. In order to serve as the employee in charge for a registered appraisal  
183 management company, a designee shall, in addition to continually holding a valid license issued  
184 by a state appraiser licensing authority as a state certified appraiser:

185 (1) not have had a license to practice as an appraiser or to engage in any activity  
186 related to the transfer of real property refused, denied, canceled or revoked in the commonwealth  
187 or in any other state;

188 (2) be of good moral character;

190 (4) shall be responsible for:

191 (i) management of the process of selecting appraisers for the  
192 performance of real estate appraisal services;

193 (ii) management of the process of conducting appraisal reviews. An  
194 employee of an appraisal management company or a contractor working on behalf of such  
195 company who has any involvement in the performance of an appraisal review of completed  
196 appraisals of real property located in the commonwealth shall be licensed or certified in the  
197 commonwealth and in good standing pursuant to the provisions of sections 264 to 277; and.

198 (iii) maintaining required documentation as part of the board file.

199           Section 270. An appraisal management company shall file a form, signed by the  
200   designated controlling person or employee in charge, with the board indicating the appraisal  
201   management company's designation of controlling person and employee in charge and the  
202   individual's acceptance of the responsibility. The board will establish a process, including  
203   appropriate timing, for administering any change in controlling person or employee in charge.  
204   An appraisal management company that does not comply with this section shall have the  
205   appraisal management company's registration suspended pursuant to section 274 until the  
206   appraisal management company complies with this section. An individual operating an appraisal  
207   management company as a sole proprietorship shall be a certified general or certified residential  
208   appraiser and shall be considered the controlling person for purposes of sections 264 to  
209   277 unless another controlling person is designated.

210           Section 271. The following fees shall be determined annually by the secretary of  
211   administration and finance under the provision of section 3B of chapter 7 and shall be collected  
212   by the board: (a) application fee; (b) initial registration fee; (c) annual renewal fee; (d) change in  
213   controlling person or employee in charge fee; and (e) late renewal fee.

214           Section 272. In addition to the filing fee, each applicant for registration shall post with  
215   the board and maintain a surety bond in an amount designated by the board. The bond shall: (i)  
216   be in the form prescribed by the board; and (ii) accrue to the commonwealth for the benefit of a  
217   claimant against the registrant to secure the faithful performance of the registrant's obligations  
218   pursuant to sections 264 to 277, inclusive.

219           The aggregate liability of the surety shall not exceed the principal sum of the  
220   bond. A party having a claim against the registrant may bring suit directly on the surety bond, or

221 the board may bring suit on behalf of the party having a claim against the registrant. A deposit of  
222 cash or security may be accepted in lieu of the surety bond. A claim reducing the face amount of  
223 the bond shall be annually restored upon renewal of the registrant's registration.

224 Section 273. (a) No employee, director, officer, managing principal or agent of an  
225 appraisal management company or any other third party acting as joint venture partner or  
226 independent contractor shall influence or attempt to influence the development, reporting, result,  
227 or review of a real estate appraisal through coercion, extortion, collusion, compensation,  
228 inducement, intimidation, bribery, or in any other manner, including:

229 (1) withholding or threatening to withhold timely payment for a real  
230 estate appraisal report except in cases of breach of contract or substandard performance of  
231 services;

232 (2) withholding or threatening to withhold future business from a real  
233 estate appraiser or demoting or terminating or threatening to demote or terminate a real estate  
234 appraiser;

235 (3) expressly or impliedly promising future business, appraisal services,  
236 promotions, or increased compensation for a real estate appraiser;

237 (4) conditioning the ordering of a real estate appraisal report or the  
238 payment of a real estate appraisal fee, salary, or bonus on the opinion, conclusion, or valuation to  
239 be reached or on a preliminary estimate requested from a real estate appraiser;

240 (5) requesting that a real estate appraiser provide an estimated,  
241 predetermined, or desired valuation in a real estate appraisal report or provide estimated values  
242 or comparable sales at any time before the appraiser's completion of the appraisal report;

243 (6) providing to a real estate appraiser an anticipated, estimated,  
244 encouraged, or desired value for a subject property or a proposed or targeted amount to be loaned  
245 to the borrower; provided, however, a real estate appraiser should be provided with a copy of the  
246 sales contract for purchase transactions, if available;

247 (7) providing to a real estate appraiser, or any entity or person related to  
248 the appraiser, stock or other financial or non-financial benefits;

249 (8) allowing the removal of a real estate appraiser from a list of  
250 qualified appraisers used by any entity without prior written notice stating the reason for removal  
251 to the appraiser. The notice shall include written evidence if the appraiser is removed from the  
252 list for illegal conduct, substandard performance, or otherwise improper or unprofessional  
253 behavior or any violation of the Uniform Standards of Professional Appraisal Practice or  
254 licensing standards of the commonwealth;

255 (9) any other act or practice that impairs or attempts to impair a real  
256 estate appraiser's independence, objectivity, or impartiality; or

257 (10) requesting or requiring a real estate appraiser to collect a fee from,  
258 or be compensated by, the borrower, homeowner, real estate agent, mortgage broker or any other  
259 third party in the provision of real estate appraisal services.

260 (b) No employee, director, officer, managing principal or agent of an appraisal  
261 management company or any other third party acting as joint venture partner or independent  
262 contractor shall:

263 (1) alter, modify, or otherwise change a completed appraisal report  
264 submitted by a real estate appraiser without the appraiser's written knowledge and consent;

265 (2) alter, modify, or otherwise change a completed appraisal report  
266 submitted by a real estate appraiser and shall, in all cases, transmit a "true and exact copy" to the  
267 client and any intended users;

268 (3) use an appraisal report submitted by an appraiser for any other  
269 transaction;

270 (4) require an appraiser to sign any indemnification agreement that  
271 would require the appraiser to defend and hold harmless the appraisal management company or  
272 any of its agents, employees, or independent contractors for any liability, damage, losses, or  
273 claims arising out of the services performed by the appraisal management company or its agents,  
274 employees, or independent contractors and not the services performed by the appraiser. Any  
275 indemnity clause not in conformance with this section, in effect as of the date of this Act, shall  
276 be null and void;

277 (5) require an appraiser to provide the company with the appraiser's  
278 digital signature or seal;

279 (6) prohibit an appraiser from recording the fee the real estate appraiser  
280 was paid for the performance of an appraisal assignment within the body of the appraisal report;

281 (7) require an appraiser to accept an appraisal assignment if the appraiser, in the  
282 appraiser's own independent professional judgment believes, (i) the appraiser does not have the  
283 necessary expertise for the assignment or knowledge of the geographic area; or (ii) that the time  
284 frame does not allow the appraiser the ability to meet all of the appraiser's relevant legal or  
285 professional obligations, and the appraiser has communicated such belief to the appraisal  
286 management company; and

287 (8) knowingly fail to compensate appraisers at a rate that is customary and reasonable for  
288 appraisal services in the market area of the property being appraised, consistent with section  
289 129E of the Truth in Lending Act and regulations promulgated thereunder.

290 (c) Nothing in this section shall be construed as prohibiting an appraisal  
291 management company from requesting that an appraiser:

292 (1) consider additional appropriate material property information;

293 (2) provide further detail, substantiation, or explanation for the real  
294 estate appraiser's value conclusion; or

295 (3) correct errors in the real estate appraisal report.

296 (d) An appraisal management company shall not refuse to assign requests or  
297 orders for appraisals or reduce the number of assignments or otherwise penalize an appraiser  
298 who does not accept an assignment or order in accordance with clause (7) of subsection (b),  
299 except that nothing in this section shall require an appraisal management company to offer future  
300 appraisal assignments of a particular nature or type to an appraiser who previously indicated a  
301 lack of the necessary expertise or geographic knowledge for such assignments, except in the case

302 where the appraiser subsequently demonstrates, to the satisfaction of the appraisal management  
303 company, that the appraiser has gained the required experience or geographic knowledge to  
304 competently complete the assignments.

305 Section 274. (a) The board may, by order, deny, suspend, revoke, or refuse to issue or  
306 renew a registration of an appraisal management company or may restrict or limit activities of a  
307 person who owns an interest in or participates in the business of an appraisal management  
308 company if the board determines that an applicant, registrant, or any partner, member, manager,  
309 officer, director, managing principal, or person occupying a similar status, performing similar  
310 functions, or directly or indirectly controlling the applicant or registrant has done any of the  
311 following:

312 (1) filed an application for registration that, as of its effective date or as  
313 of any date after filing, contained any statement that, in light of the circumstances under which it  
314 was made, is false or misleading with respect to any material fact;

315 (2) violated or failed to comply with any provision of sections 264 to  
316 277 or any rules and regulations adopted by the board;

317 (3) been convicted of any felony or, within the past 5 years, been  
318 convicted of any misdemeanor involving any activity related to the transfer of real property,  
319 including, but not limited to, mortgage lending or real estate appraisal or any offense involving  
320 breach of trust, moral turpitude, or fraudulent or dishonest dealing;

321 (4) been permanently or temporarily enjoined by any court of competent  
322 jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the  
323 real estate appraisal management business;

324 (5) been the subject of an order of the board or any other state appraiser  
325 regulatory agency denying, suspending, or revoking the person's license as a real estate  
326 appraiser;

327 (6) acted as an appraisal management company while not properly  
328 registered by the board;

329 (7) structured an appraisal assignment or a contract with an appraiser  
330 for the purpose of evading the provisions of sections 264 to 277t; or

331 (8) failed to pay the proper filing or renewal fee under sections 264 to  
332 277.

333 (b) The board may, by order, impose a civil penalty upon a registrant or any  
334 partner, officer, director, managing principal, or other person occupying a similar status or  
335 performing similar functions on behalf of a registrant for any violation of sections 264 to 277.  
336 The civil penalty shall not exceed \$10,000 for each violation.

337 (c) In addition to other powers under sections 264 to 277, upon finding that any  
338 action of a person is in violation of sections 264 to 277, the board may order the person to cease  
339 from the prohibited action. If the person subject to the order fails to appeal the order of the board  
340 or the person appeals the order and the appeal is denied or dismissed and the person continues to  
341 engage in the prohibited action in violation of the board's order, the person shall be subject to a  
342 civil penalty of not more than \$25,000 for each violation of the order. The penalty provision of  
343 this section shall be in addition to and not in lieu of any other provision of law applicable to a  
344 registrant for the registrant's failure to comply with an order of the board.

345 (d) Unless otherwise provided, all actions and hearings under sections 264 to  
346 277 shall be governed by chapter 30A.

347 (e) If the board has reasonable grounds to believe that an appraisal management  
348 company has violated the provisions of sections 264 to 277 or that facts exist that would be the  
349 basis for an order against an appraisal management company, the board may at any time, either  
350 personally or by a person duly designated by the board, investigate or examine the books,  
351 accounts, records, and files of any registrant or other person relating to the complaint or matter  
352 under investigation.

353 (f) The board shall have the power to issue subpoenas requiring the attendance  
354 of persons and the production of papers and records before the board in any hearing,  
355 investigation, inquiry, or other proceeding conducted by the board. Upon the production of any  
356 papers, records, or documents, the board shall have the power to authorize true copies of the  
357 papers, records, or documents to be substituted in the permanent record of the matter in which  
358 the papers, records, or documents shall have been introduced in evidence.

359 Section 275.

360 Every registered appraisal management company shall maintain the records  
361 related to services provided by the appraisal management company as prescribed in regulations  
362 adopted by the board. All records shall be preserved in accordance with the Record Keeping  
363 Rule of USPAP unless the board, by regulation, prescribes otherwise for particular types of  
364 records.

365 Section 276. The board may appear in its own name in superior court in actions  
366 for injunctive relief to prevent any person from violating the provisions of sections 264 to 277 or

367 regulations adopted by the board. The superior court shall have the power to grant these  
368 injunctions whether criminal prosecution has been or may be instituted as a result of the  
369 violations or whether the person is the holder of a registration issued by the board under sections  
370 264 to 277.

371 Section 277. (a) The board shall have the authority to conduct investigations and  
372 examinations for:

373 (1) purposes of initial registration, registration renewal, registration suspension,  
374 registration conditioning, registration revocation or termination, or general or specific inquiry or  
375 investigation to determine compliance with this chapter. The board shall have the authority to  
376 access, receive and use any books, accounts, records, files, documents, information or evidence  
377 including, but not limited to: (i) criminal, civil and administrative history information, including  
378 non-conviction data as specified in applicable provisions of the General Laws; and (ii) any other  
379 documents, information or evidence the board deems relevant to the inquiry or investigation  
380 regardless of the location, possession, control or custody of such documents, information or  
381 evidence; and

382 (2) the purposes of investigating violations or complaints arising under this  
383 chapter, or for the purposes of examination, the board may review, investigate, or examine any  
384 registrant, individual or person subject to this chapter, in order to carry out the purposes of this  
385 chapter.

386 (b) If an applicant, registrant or managing principal's criminal history record  
387 check reveals 1 or more convictions, the conviction shall not automatically bar registration,

388 provided the conviction is not related to the financing or transfer of real property. The board  
389 shall consider all of the following factors regarding the conviction:

390 (1) the level of seriousness of the crime;

391 (2) the date of the crime;

392 (3) the age of the person at the time of the conviction;

393 (4) the circumstances surrounding the commission of the crime, if  
394 known;

395 (5) the nexus between the criminal conduct of the person and the job  
396 duties of the position to be filled; and

397 (6) the person's prison, jail, probation, parole, rehabilitation, and  
398 employment records since the date the crime was committed.

399 This act shall take effect 180 days after its passage.
