An Act to protect healthcare reform funding.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Notwithstanding any general or special law to the contrary, there shall be  
2 established and set up on the books of the commonwealth as a separate fund to be known as the  
3 Medicaid and Health Care Reform FMAP Trust Fund. The fund shall consist of any funds that  
4 may be appropriated or transferred for deposit into the trust fund, interest earned on such  
5 revenues, and other sources. The comptroller shall deposit an amount to the fund determined by  
6 secretary of administration and finance that is equivalent to the additional Medicaid and  
7 Children’s Health Insurance Program funding provided by the federal government pursuant to  
8 the increased federal Medicaid assistance percentage pursuant to the Sections 2001 and 2101 of  
9 the Patient Protection and Affordable Care Act of 2010 and as further addressed in Section 1201  
10 of the Health Care and Education Reconciliation Act of 2010. The fund shall be used for the  
11 following purposes: (1) to support the financing of health insurance coverage for low-income  
12 Massachusetts residents, including MassHealth, other state health insurance programs and  
13 insurance offered through the commonwealth’s health insurance exchange and (2) to improve

14 Medicaid reimbursement to health care providers. The secretary of administration and finance  
15 shall administer the fund. No later than January 31 of each year, the secretary, after consultation  
16 with the executive office of health and human services, the commonwealth health insurance  
17 connector authority, healthcare providers participating in the Medicaid program, and consumer  
18 representatives, shall submit a report, which shall be publicly available, to the house and senate  
19 ways and means committees and the joint committee on health care financing that includes the  
20 current funding available in the fund, the funding estimated to be deposited through the end of  
21 the current and subsequent fiscal year, estimated expenditures from the fund, and  
22 recommendations for transferring such funds to other state accounts and funds in a manner  
23 consistent with the purpose of the fund.
