153 other than the Board of Selectmen, the remaining members shall forthwith give written notice to
154 the Board of Selectmen of the existence of any such vacancy. Seven days after the public notice
155 was posted on the town bulletin board, the Board of Selectmen together with the remaining
156 members or member of such Multiple-member Body shall fill such vacancy by a joint roll call
157 vote. If the Multiple-member Body does not give such notice to the Board of Selectmen within
158 30 days following the date on which said vacancy occurs, the Board of Selectmen shall, not

159 sooner than seven days following posting of such notice, fill such vacancy without participation
160 by the remaining members or member of the Multiple-member Body.

165 the next annual town election, the remaining Selectmen may call a special election to fill the
166 vacancy or, upon the written request of not less than 200 Voters, the Board of Selectmen shall
167 forthwith call such special election.

168 (g) Recall of Elected Officials

169 (1) Application - Any person, who holds an elected town office, with more than six
170 months remaining in the term of office, may be recalled from the office by the Voters in the
171 manner provided in this Section.

172 (2) Recall Petitions - A recall affidavit, signed by at least 50 Voters in each of the
173 precincts into which the town is divided, shall be filed with the Town Clerk containing the name
174 of the official whose recall is sought. The Board of Registrars of Voters shall forthwith and no
175 later than seven days following the filing of such affidavit certify the names of Voters whose
176 signatures are affixed thereto. The Town Clerk, within seven days following such certification,
177 shall issue petition blanks demanding such recall, as further described below, by notifying the 10
178 persons first named on such affidavit, or otherwise identified as the "lead petitioners," of the
179 availability of the petitions. The Town Clerk shall keep available printed petition forms. The
180 petitions shall be addressed to the Board of Selectmen, contain the typewritten or printed names

181 of the 10 persons first named on such petitions or otherwise identified as the “lead petitioners.”
182 The petitions shall demand the election of a successor to the office and shall be dated and signed
183 by the Town Clerk, whether by hand or electronically. A copy of the petitions shall be entered

185 The recall petitions shall be returned to the office of the Town Clerk no later than 14 days
186 following the date they are issued, signed by at least 50 percent of the total number of persons
187 who voted at the most recent annual town election.

188 The Town Clerk shall, within five days following such filing, submit the petitions to the
189 Board of Registrars of Voters who shall, within five days, thereafter, certify the names of Voters
190 affixed thereto.

191 (3) Recall Elections - If the petitions are certified by the Board of Registrars of Voters as
192 having a sufficient number of signatures of Voters, the Town Clerk shall forthwith submit the
193 petition with a certificate to the Board of Selectmen. Upon its receipt of the certified petition, the
194 Board of Selectmen shall forthwith give written notice of said petition to the official whose recall
195 is sought. If said official does not resign from office within five days following delivery of said
196 notice, the Board of Selectmen shall order a special election. This special election shall be held
197 not less than 64 nor more than 90 days after the election is called. If a regular annual town
198 election is to be held within 90 days following the date of said certification the recall election
199 shall be held in conjunction therewith and not at a special election. If a vacancy occurs in the
200 position from which the official is being recalled after a recall election has been ordered, the
201 election shall nevertheless proceed as provided in this Section.

202 (4) Nomination of Candidates - An official whose recall is sought will be a candidate to
203 succeed to the same office. Unless the official requests otherwise in writing, the Town Clerk
204 shall place the name of the official on the ballot without nomination. Unless otherwise provided
205 in this Section the nomination of other candidates, the publication of the warrant for the recall
206 election, and the conduct of the election shall all be in conformity with the provisions of law

213 majority of the votes cast is in favor of the recall, and provided at least 25 per cent of the total
214 number of Voters as of the date of the most recent town election have participated in such recall
215 election, the official shall be deemed to be recalled.

216 (b) After the said propositions shall appear the word "candidates" and the names arranged
217 alphabetically. If the official is recalled, the ballots for candidates shall then be counted, and the
218 candidate receiving the highest number of votes shall be declared elected.

219 (6) Officeholder - The incumbent shall continue to hold office and perform the duties
220 until the recall election. If not then recalled, the official shall continue in office for the remainder
221 of the unexpired term, subject to recall as provided in paragraph (7) of this Section 3-1(g).

222 If the official is recalled, the office shall be deemed vacant upon the certification of the
223 election results and the candidate who receives the highest number of votes shall then serve for
224 the balance of the unexpired term.

225 (7) Repeat of Recall Petition - No recall affidavit shall be filed:

226 (a) against an official within six months after taking office; or
