The Commonwealth of Massachusetts

**In the One Hundred and Eighty-Ninth General Court
(2015-2016)**

An Act relative to the Massachusetts Alzheimer's Project.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 6A of the General Laws is hereby amended by inserting after section 16S the
2 following section:-

3 Section 16T. (a) There is hereby established, within the executive office of health and
4 human services, the Massachusetts Alzheimer’s Project, hereinafter called the project.

5 (b) The purpose of the project shall be to:

6 (1) accelerate the development of treatments that would prevent, halt or reverse the
7 course of Alzheimer's disease;

8 (2) create and maintain an integrated state plan to overcome Alzheimer's disease;

9 (3) help coordinate the health care and treatment of individuals with Alzheimer's disease;

10 (4) ensure the inclusion of ethnic and racial populations, who have a higher risk for
11 Alzheimer's disease or are least likely to receive care in clinical, research and service efforts,
12 with the purpose of decreasing health disparities in Alzheimer's disease;

13 (5) coordinate with federal government bodies to integrate and inform the fight against
14 Alzheimer's disease; and

15 (6) provide information and coordination of Alzheimer's disease research and services
16 across all state agencies.

17 (c) The project shall be responsible for creating the state plan, described in subsection (d),
18 updating the state plan and evaluating all state programs that address Alzheimer's disease.

19 (d) The project shall carry out an annual assessment of the state's progress in preparing
20 for the escalating burden of Alzheimer's disease. The assessment shall set forth a state plan
21 which includes both implementation steps and recommendations for priority actions based on the
22 assessment.

23 (e) There is hereby established an advisory council on Alzheimer's disease research and
24 treatment.

25 (1) The advisory council shall be comprised of the following experts: (i) a designee of the
26 secretary of health and human services; (ii) a designee of the commissioner of public health; (iii)
27 a designee of the secretary of veterans' services; (iv) a designee of the director of the office of
28 Medicaid; (v) 2 Alzheimer's disease patient advocates; (vi) 2 Alzheimer's disease caregivers;
29 (vii) 2 health care providers; (viii) 2 researchers with Alzheimer-related expertise in basic,

30 translational, clinical or drug development science; and (ix) 2 voluntary health association
31 representatives, including a state Alzheimer's disease organization that funds research and has
32 demonstrated experience in care and patient services and a state based advocacy organization
33 that provides services to families and professionals, including information and referral, support
34 groups, care consultation, education and safety services.

35 (2) The advisory council shall meet quarterly and such meetings shall be open to the
36 public.

37 (3) The advisory council shall advise the project on the state's Alzheimer's disease
38 policy.

39 (4) The advisory council shall provide to the project an annual report which includes:
40 information and recommendations on Alzheimer's disease policy; an evaluation of all state-
41 funded efforts in Alzheimer's disease research, clinical care, institutional, home-based and
42 community-based programs; the outcomes of such efforts; and an annually updated state plan.
