The Commonwealth of Massachusetts

—————
**In the One Hundred and Eighty-Ninth General Court
(2015-2016)**
—————

An Act to maintain public water systems.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 146 of the General Laws is hereby amended by inserting after section 88 the
2 following section:-

3 Section 88A. The sprinkler fitter’s examining and licensing requirements, under sections
4 81to 86, inclusive, shall not apply to individuals who are regularly in the employ of a public
5 water system and perform sprinkler fitting work related to the emergency installation and repair,
6 and the testing and maintenance of hydrants and appurtenant pipes and valves that are within the
7 jurisdiction of the public water system; provided, that this exemption shall only apply to work
8 related to hydrants and appurtenant pipes and valves and shall not include work on any other
9 component of a fire protection sprinkler system. Individuals who are regularly in the employ of a

10 public water system may perform sprinkler fitting work related to the installation, repair, testing
11 and maintenance of hydrants and appurtenant pipes and valves of a multi-purpose system within
12 the jurisdiction of the public water system, but shall not include work on any other component of
13 a fire protection sprinkler system. The department may promulgate rules and regulations to
14 enforce this section.
