“Parcel”, the armory parcel.

Section 2. Subject to sections 40E to 40I, inclusive, of chapter 7 of the General Laws but notwithstanding any other general or special law to the contrary, the commissioner of capital asset management and maintenance may sell, lease, or otherwise grant, convey, or transfer to one or more developers an interest in the parcel, or portions thereof, subject to the provisions of this act and on such terms and conditions as said commissioner deems appropriate. The commissioner shall dispose of each parcel, or portions thereof, utilizing appropriate competitive processes and procedures. At least 30 days before the date on which bids, proposals, or other offers to purchase or lease a parcel, or any portion thereof, are due, the commissioner shall place a notice in the central register published by the state secretary pursuant to Section 20A of Chapter 9 of the General Laws stating the availability of such property, the nature of the competitive process and other information deemed relevant, including the time, place and manner for the submission of bids, proposals and the opening thereof. Upon the expiration of any lease entered into under the provisions of this act, the commissioner shall have the authority to dispose of the parcel or portions thereof so leased in accordance with this act, but notwithstanding Sections 40E through 40I, inclusive, of Chapter 7 of the General Laws, or any other general or special law to the contrary.

30 Section 3. The commissioner is hereby authorized to retain or grant rights of way or
31 easements for access, egress, utilities and drainage across the parcel and across other
32 commonwealth property contiguous to the parcel, and the commonwealth may accept from any
33 developer or developers rights of way or easements in roadways or across the parcel to be
34 conveyed by deed or leased pursuant to this act for the purposes of access, egress, drainage and
35 utilities as the commissioner deems necessary and appropriate to carry out the purposes of this
36 act.

37 Section 4. The consideration for such parcel shall be the full and fair market value of the
38 parcel, determined by the commissioner of capital asset management and maintenance based
39 upon an independent professional appraisal. The inspector general shall review and approve the
40 appraisal, and the review shall include a review of the methodology used for the appraisal. The

49 of capital asset management and maintenance, including but not limited to the costs of any
50 survey, appraisal, and other expenses relating to the conveyance of the parcel, and shall be
51 responsible for all costs, liabilities and expenses of any nature and kind for its ownership.

Section 6. This act shall take effect upon its passage.
