An Act to preserve energy reliability in the Commonwealth.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 164 of the General Laws, as so appearing in the 2012 Official  
2 Edition, is hereby amended by inserting after section 102C the following section:-

3           Section 102D. A generating facility with a nameplate capacity of more than 500 MWs in  
4 operation as of the effective date of this act, shall, prior to retirement of said generating facility,  
5 deliver written notice of the retirement plan at least 36 months before the proposed retirement  
6 date of said generating facility. If owners of the generating facility require retirement of the  
7 facility earlier than 36 months, owners must receive authorization from the general court. The  
8 department of energy resources shall promulgate rules and regulations related to this section.
