An Act authorizing the relocation, replacement, reconstruction and maintenance of a piling supported building in the town of Newbury.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Be it enacted by the Senate and House of Representatives in General Court assembled,  
2           and by the authority of the same as follows:

3           SECTION 1. Notwithstanding the provisions of section 40, of chapter 131; or of any  
4           provision of chapter 91; or of any special or general law; or of any regulation to the contrary, an  
5           existing building located at 41 Plum Island Turnpike, Newbury may be relocated, replaced,  
6           reconstructed and/or maintained as a piling supported building having an interior first floor area  
7           of 880 square feet and total interior living area of no more than 1800 square feet, and having a  
8           piling supported walkway or walkways to provide access and egress, which building may  
9           thereafter be used as a residence. The building may be located in a manner to eliminate an  
10          existing encroachment created by the laying out of the right of way of the Plum Island Turnpike  
11          and thus increase compliance with local zoning setbacks, and to meet the state building code,

12 including in a manner generally consistent with a plan entitled "Plan to Accompany Notice of  
13 Intent" prepared for 41 Plum Island Turnpike, Newbury, dated April 13, 2012, prepared by DGT  
14 Survey Group-North Shore, a copy of which is attached as an exhibit hereto.

15 SECTION 2. This act shall take effect upon its passage.
