*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Notwithstanding the provisions of section 17 of chapter 138 of the General  
2   Laws, the licensing authority of the city of Easthampton may grant eight (8) additional licenses  
3   for the sale of all alcoholic beverages to be drunk on the premises pursuant to section 12 of  
4   chapter 138, giving highest preference to establishments located in the mill industrial zone and  
5   the downtown business zone in the city of Easthampton. The zones are located and bound as  
6   shown on a map titled "Zoning Map of Easthampton, Massachusetts," on file in the office of the  
7   city clerk and planning department. Applications for licenses in other zones might be considered  
8   by the licensing authority, however mill industrial and downtown business should be given  
9   preference. The licenses shall be subject to all of said chapter 138 except said section 17.

10           Once issued, the licensing authority shall not approve the transfer of that license to any  
11   other location, but it may grant a license to a new applicant at the same location if the applicant

12 files with the licensing authority a letter from the department of revenue indicating that the  
13 license is in good standing with the department and that all applicable taxes have been paid.

14 If a license granted pursuant to this section is cancelled, revoked or no longer in use at the  
15 location of original issuance, the license shall be returned physically, with all of the legal rights,  
16 privileges and restrictions pertaining thereto, to the licensing board and may then grant the  
17 license to a new applicant at the same location under the same conditions as specified in this act.

18 SECTION 2. This act shall take effect upon its passage
