## The Commonwealth of Massachusetts

In the One Hundred and Eighty-Ninth General Court  
(2015-2016)

An Act clarifying deadlines for submission of applications for land under Chapter 61a.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 2 of chapter 61 of the General Laws, as appearing in the 2014  
2 Official Edition, is hereby amended by striking out, in line 40, the word “October”, and inserting  
3 in place thereof the following:- December.

4           SECTION 2. Said section 2 of said chapter 61, as so appearing, is hereby amended by  
5 striking out the last paragraph and inserting in place thereof the following paragraph:-

6           When in judgment of the assessors, land which is classified as forest land or which is the  
7 subject of an application for such classification is not being managed under a program, or is  
8 being used for purposes incompatible with forest production, or does not otherwise qualify under  
9 this chapter, the assessors may, on or before February first in any year file an appeal in writing  
10 mailed by certified mail to the state forester requesting a denial of application or, in the case of  
11 classified land, requesting removal of the land from such classification. Such appeal shall state  
12 the reasons for such request. A copy of the appeal shall be mailed by the assessors by certified  
13 mail to the owner of the land. The state forester may initiate, on or before December first of any  
14 year, a proceeding to remove land from classification, sending notice of his action by certified

15 mail to the assessors and the owner of such land. The state forester may deny the owner's  
16 application, may withdraw all or part of the land from classification, or may grant the  
17 application, imposing such terms and conditions as he deems reasonable to carry out the purpose  
18 of this chapter, and shall notify the assessors and the owner of his decision no later than March  
19 first of the following year. If the owner or the assessors are aggrieved by his decision they may,  
20 on or before June fifteenth, give notice to the state forester of a claim of appeal. The state  
21 forester shall convene within 30 days after receipt of said notice of appeal, a panel in the region  
22 in which the land is located. Said panel shall consist of three members, one of whom shall be  
23 named by the state forester, one of whom shall be named by the assessors, and one of whom  
24 shall be named by the state forester and the assessors. Said panel shall give notice of the date and  
25 place of the hearing in writing to the parties seven days at least before the date of said hearing.  
26 The panel shall furnish the parties, in writing, a notice of its decision within ten days after the  
27 adjournment of said hearing. Decisions of the panel shall be by majority vote of its members. If  
28 the owner or the assessors are aggrieved by such decision, they may, within forty-five days from  
29 receipt of the decision, petition either the superior court in the county in which the land is located  
30 for a review of such decision under the provisions of chapter thirty A or the appellate tax board  
31 under the provisions of chapter fifty-eight A, and said land shall not be classified or withdrawn  
32 from classification until the final determination of such petition. The state forester may adopt  
33 such regulations as he deems necessary to carry out the provisions of this chapter.

34 SECTION 3. Section 6 of chapter 61A of the General Laws, as so appearing, is hereby  
35 amended by striking out said section and inserting in place thereof the following new section:-

36 Section 6. Eligibility of land for valuation, assessment and taxation pursuant to section  
37 four shall be determined separately for each tax year. Application therefor shall be submitted to

38 the board of assessors of each city or town in which such land is situated not later than December  
39 first preceding each tax year for which such valuation, assessment and taxation are being sought  
40 and may not thereafter be withdrawn. Application shall be made on a form prescribed by the  
41 commissioner of revenue and provided for the use of claimants by said board of assessors. Such  
42 form shall provide for the reporting of information pertinent to the provisions of this chapter and  
43 of Article XCIX of the Articles of Amendment to the Constitution of the Commonwealth and for  
44 certification by the applicant that he will immediately, but no later than December first next  
45 following, notify the board of assessors in writing of any subsequently developing circumstance  
46 within his control or knowledge which may cause a change in use of the land covered by such  
47 form. Any application submitted under this section and covering leased land shall be  
48 accompanied by a written statement signed by any lessee of his intent to use such land for the  
49 purposes set forth in said application. A certification by a landowner that the information set  
50 forth in his application is true may be prescribed by said commissioner to be in lieu of a sworn  
51 statement to that effect. An application so certified shall be considered as if made under oath and  
52 subject to the same penalties as provided by law for perjury. Upon allowance of any such  
53 application under section 9, classification as land actively devoted to agricultural, horticultural or  
54 agricultural and horticultural shall take effect on January first preceding the beginning of the tax  
55 year to which the application relates and taxation under this chapter shall commence with that  
56 tax year.

57 SECTION 4. Section 7 of said chapter 61A of the General Laws, as so appearing, is  
58 hereby amended by striking out, in line 3, the words "October first and June thirtieth of the  
59 year", and inserting in place thereof the following:- December first and June thirtieth.

60 SECTION 5. Section 8 of said chapter 61A, as so appearing, is hereby amended by  
61 striking out said section and inserting in place thereof the following new section:-

62 Section 8. In any tax year for which a city or town has undertaken and completed a  
63 program of revaluation of all property therein, applications by landowners for the valuation,  
64 assessment and taxation of their lands on the basis of being actively devoted to agricultural or  
65 horticultural use that are filed with the board of assessors not later than the last day for filing an  
66 application for abatement of the tax assessed on the new valuation shall be deemed to have been  
67 timely made for the tax year of the revaluation program, notwithstanding any provision of this  
68 chapter to the contrary. If such application is approved and the lands qualify for valuation,  
69 assessment and taxation as lands actively devoted to agricultural, horticultural or agricultural and  
70 horticultural use in such tax year, that portion of any tax assessed for such year which is in  
71 excess of the tax which would have been assessed on such lands had such application been  
72 timely made and approved shall be abated.

73 SECTION 6. Section 14 of said chapter 61A, as so appearing, is hereby amended by  
74 striking out the eighteenth paragraph and inserting in place thereof the following paragraph:-

75 The assignment shall be for the purpose of maintaining no less than 70 per cent of the  
76 land in use as forest land as defined in section 1 of chapter 61, as agricultural and horticultural  
77 land as defined in sections 1 and 2 of this chapter or as recreation land as defined in section 1 of  
78 chapter 61B, and in no case shall the assignee develop a greater proportion of the land than was  
79 proposed by the developer whose offer gave rise to the assignment. All land other than land that  
80 is to be developed shall then be bound by a permanent deed restriction that meets the  
81 requirements of chapter 184.

83 amended by striking out said section and inserting in place thereof the following new section:-

85 shall be determined separately for each tax year. Application therefor shall be submitted to the  
86 board of assessors of each city or town in which such land is situated not later than December  
87 first preceding each tax year for which such valuation, assessment and taxation is being sought.  
88 Application shall be made on a form prescribed by the commissioner of revenue and provided  
89 for the use of applicants by said board of assessors. Such form shall provide for the reporting of  
90 information pertinent to the provisions of this chapter and for certification by the applicant that  
91 he will immediately, but no later than the December first next following, notify the board of  
92 assessors in writing of any subsequent circumstance within his control or knowledge which may  
93 cause a change in use of the land covered by such form. Any application submitted under this  
94 section and covering leased land shall be accompanied by a written statement signed by the  
95 lessee of his intent to use such land for the purposes set forth in said application. A certification  
96 by a landowner that the information set forth in his application is true may be prescribed by said  
97 commissioner to be in lieu of a sworn statement to that effect. An application so certified shall be

101 relates and taxation under this chapter shall commence with that tax year

102 SECTION 8. Section 4 of said chapter 61B, as so appearing, is hereby amended by

106 striking out said section and inserting in place thereof the following new section:-

108 program of revaluation of all property therein, applications by landowners for the valuation,  
109 assessment and taxation of their lands on the basis of being maintained in recreational use that  
110 are filed with the board of assessors not later than the last day for filing an application for  
111 abatement of the tax assessed on the new valuation shall be deemed to have been timely made  
112 for the tax year of the revaluation program, notwithstanding any provision of this chapter to the  
113 contrary. If such application is approved and the lands qualify for valuation, assessment and  
114 taxation as lands maintained for recreational use in such tax year, the portion of any tax assessed  
115 for such year which is in excess of the tax which would have been assessed on such lands had  
116 such application been timely made and approved shall be abated.
