7 constitute a separate offense. No action, suit or proceeding shall be maintained in a court, nor an  
8 administrative action or other action taken to recover a fine or damages or to compel the  
9 removal, alteration or relocation of a structure or part of a structure because of a violation of a

11 property has been improved and used in accordance with the terms of the original building  
12 permit, no criminal or civil action intended to compel the abandonment, limitation or  
13 modification of the use allowed by the permit or the removal, alteration or relocation of a  
14 structure erected in reliance upon the permit by reason of an alleged violation of this chapter or  
15 of an ordinance or by-law adopted under this chapter shall be maintained unless the action, suit

16 or proceeding is commenced and notice of the action, suit or proceeding is recorded in the

21 or of an ordinance or by-law adopted under this chapter or the conditions of a variance or special  
22 permit shall be maintained unless the action, suit or proceeding is commenced and notice of the  
23 action, suit or proceeding is recorded in the registry of deeds for each county or district in which  
24 the land lies or, in the case of registered land, the notice is filed in the registry district in which

27 and the structures or alterations have been in existence for a period of at least 10 years and no  
28 notice of an action, suit or proceeding as to an alleged violation of this chapter or of an ordinance  
29 or by-law adopted under this chapter has been recorded in the registry of deeds for the county or  
30 district in which the real estate is located or, in the case of registered land, has been filed in the  
31 registry district in which the land is located within a period of 10 years from the date the  
32 structures were erected, then the structures shall be deemed, for zoning purposes, to be legally  
33 non-conforming structures subject to section 6 and any local ordinance or by-law relating to non-  
34 conforming structures.

35         Notice of an action, suit or proceeding shall include the name of not less than 1 of the  
36 owners of record, the name of the person initiating the action and adequate identification of the  
37 structure and the alleged violation.

38           SECTION 2. The third paragraph of section 7 of chapter 40A of the General Laws, as  
39 appearing in section 1, shall be applicable regardless of whether the structure was erected prior to

43 intended to compel the removal, alteration or relocation of a structure by reason of an alleged  
44 violation of chapter 40A of the General Laws or any ordinance or by-law adopted under said  
45 chapter 40A or the conditions of a variance or special permit shall be maintained unless the  
46 action, suit or proceeding is commenced and notice of the action, suit or proceeding is recorded  
47 in the registry of deeds for each county or district in which the land lies or, in the case of
