An Act relative to the promotion of mental health education in Massachusetts high schools.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 71 of the General Laws, as appearing in the 2014 Official Edition,  
2 is hereby amended by inserting after section 3, the following section: -

3           Section 3A. Mental health education.

4           Notwithstanding any general or special law to the contrary, all public high schools in the  
5 commonwealth may incorporate an optional mental health promotion component to the  
6 Massachusetts comprehensive health education curriculum for public high school students. The  
7 mental health promotion component shall meet all standards which guide the existing  
8 comprehensive health education curriculum. The mental health section may supplement the  
9 comprehensive health education curriculum by providing instruction in areas including, but not  
10 limited to: mental health, mental illness, teenage brain development, stress management,  
11 physical health, violence prevention, ecological and community health and mental illness stigma.
