77 bearing and noncredit-bearing courses in public institutions of higher education that include

78 nondisabled students, including participation in credit-bearing courses in audit status for students
79 who may not meet course prerequisites or requirements, with necessary supports to facilitate the
80 student's participation and to support inclusion in academic courses, extracurricular activities,
81 internships, work experiences and other aspects of the public institution of higher education's
82 regular postsecondary program; provided, however, that nothing in this subsection shall require a
83 public institution of higher education to provide course enrollment preferences for individuals
84 with severe intellectual disabilities, autism spectrum disorders or other developmental
85 disabilities.

86 Students shall not be required to take a standardized college entrance aptitude test, have a
87 high school diploma or its equivalent, meet minimum academic course requirements, meet
88 minimum grade point average requirements or obtain a passing score on the statewide
89 assessment tests utilized as a basis for competency determinations pursuant to section 1D of
90 chapter 69.

91 SECTION 9. Section 2 of chapter 71B of the General Laws, as so appearing, is hereby
92 amended by striking out, in line 51, the word "and".

97 higher education, development of independent living skills, development of skills necessary for
98 employment, development of skills to access community services.

99 SECTION 11. Said chapter 71B of the General Laws is hereby amended by adding the
100 following section:-

101 Section 17. (a) Subject to appropriation, the executive office of education shall develop
102 and administer a discretionary grant program to provide money to school districts and public
103 institutions of higher education partnering together to offer inclusive concurrent enrollment
104 initiative options for school-aged children, ages 18 to 21, inclusive, with disabilities. The grant
105 program shall be limited to students: (i) who are considered to have severe intellectual
106 disabilities, autism spectrum disorders or other developmental disabilities; and (ii) for students
107 ages 18 to 19, inclusive, with severe disabilities who have been unable to achieve the
108 competency determination necessary to pass the statewide assessment test pursuant to section 1D
109 of chapter 69.

110 (b) The grant program shall allow school districts to partner with public institutions of
111 higher education and any relevant state or other agency serving students with severe intellectual
112 disabilities, autism spectrum disorders and other developmental disabilities including, but not
113 limited to, the department of developmental services, the Massachusetts rehabilitation
114 commission or other vocational rehabilitation agency or organization to support that student's
115 academic success, participation in student life of the college community and competitive
116 employment. Partnerships may include: (i) participation in credit-bearing and non-credit courses
117 that include students without disabilities, including participation in credit-bearing courses in
118 audit status for students who may not meet course prerequisites; (ii) participation in on-campus
119 student life activities; (iii) preparation for competitive employment; (iv) the waiver of tuition for
120 courses by the public institution of higher education; (v) the provision of supports and services
121 necessary to facilitate a student's participation and support inclusion in academic courses,

122 extracurricular activities, internships, work experiences and other aspects of the public institution
123 of higher education's regular postsecondary program; (vi) training and technical assistance for
124 teachers, faculty and personnel regarding strategy and teaching methodology to achieve
125 successful inclusion of individuals with severe intellectual disabilities, autism spectrum disorders
126 and other developmental disabilities; (vii) that students with severe intellectual disabilities,
127 autism spectrum disorders and other developmental disabilities are fully included with
128 nondisabled students in all aspects of higher education including, but not limited to, academic
129 and social activities; (viii) the utilization of person-centered planning in the development of the
130 course of study for each participating student; and (ix) opportunities for students with severe
131 intellectual disabilities, autism spectrum disorders and other developmental disabilities to live in
132 residential housing offered to nondisabled students with the accommodations, supports and
133 services necessary to enable inclusive dormitory living if it is offered by the public institute of
134 higher education.

135 (c) The executive office of education, in consultation with the department of elementary
136 and secondary education, the department of higher education and the inclusive concurrent
137 enrollment initiative advisory board shall develop guidelines to implement the grant program.

138 (d) Subject to appropriation, the executive office of education shall designate an inclusive
139 concurrent enrollment coordinator to manage grant administration and coordinate reporting. The
140 executive office of education shall provide school committees and public institutions of higher
141 education with the contact information for the inclusive concurrent enrollment coordinator.

142 (e) The inclusive concurrent enrollment coordinator, in consultation with the department
143 of elementary and secondary education, the department of higher education and the inclusive

144 concurrent enrollment advisory board, shall develop strategies and procedures to assist public
145 institutions of higher education in sustaining, expanding and replicating inclusive concurrent
146 enrollment partnerships established through the executive office of education's discretionary
147 grant program. The executive office of education shall make recommended strategies and
148 procedures to public institutions of higher education publicly available on its website.

149 Recommended strategies and procedures shall include, but not be limited to:

150 (i) the provision of available grant funding for partnerships between public
151 institutions of higher education and school committees that have developed inclusive concurrent
152 enrollment programs to sustain existing programs and retain employment specialists to assist
153 students in meeting competitive employment and other transition-related goals;

154 (ii) identifying procedures and funding mechanisms to ensure that new
155 partnerships providing inclusive concurrent enrollment programs fully utilize the models and
156 expertise developed in existing partnerships to ensure that programs are successful and
157 sustainable;

158 (iii) the development of methods to encourage existing and new partnerships to
159 expand the capacity of public institutions of higher education to respond to requests for eligible
160 students to participate in inclusive concurrent enrollment initiatives;

161 (iv) outreach to public institutions of higher education and school committees not
162 currently participating in inclusive concurrent enrollment to encourage those institutions of
163 higher education and school committees to offer inclusive concurrent enrollment opportunities;

164 (v) ways to address common challenges faced by public institutions of higher
165 education and newly created inclusive concurrent enrollment initiatives and a compilation of best
166 practices to address these challenges; and

167 (vi) recommendations on the integration of students with severe intellectual
168 disabilities, autism spectrum disorders and other developmental disabilities into housing offered
169 to nondisabled students with the accommodations, supports and services necessary to enable
170 inclusive dormitory living if the public institution of higher education chooses to offer residential
171 housing.

172 (f) The executive office of education shall establish an inclusive concurrent enrollment
173 advisory board to advise the executive office of education on efforts to implement inclusive
174 concurrent enrollment and to participate in educational outreach efforts related to inclusive
175 concurrent enrollment. The inclusive concurrent enrollment advisory board shall include the
176 following members or their designees: the inclusive concurrent enrollment coordinator , who
177 shall serve as chair; the secretary of education, the commissioner of higher education; the
178 commissioner of elementary and secondary education; the commissioner of developmental
179 services; the commissioner of the Massachusetts rehabilitation commission; a representative of
180 Massachusetts Advocates for Children, Inc.; a representative of The Federation for Students with
181 Special Needs, Inc.; a representative of the Institute for Community Inclusion; at least 2

183 successfully implemented inclusive concurrent enrollment initiatives, to be appointed by the
184 chair; and 2 students who are participating or have participated in an inclusive concurrent
185 enrollment program, to be appointed by the chair. The inclusive concurrent enrollment advisory

186 board shall meet at least quarterly. Members of the advisory board shall serve without
187 compensation.

188 (g) The executive office of education shall annually select grant recipients not later than
189 July 15.

190 (h) The executive office of education, in consultation with the department of elementary
191 and secondary education and the department of higher education, shall annually post a report
192 online on the status of the grant program not later than March 15. The report shall include, but
193 not be limited to, the following components:
