1           SECTION 1. Creation of Department of Municipal Finance. Notwithstanding the

11 and principal assessor created in accordance with section 4 of this act; provided, however, that

12 although the board of assessors shall be part of the department of municipal finance, such board

14 otherwise provided in this act. The department shall have such additional powers, duties and  
15 responsibilities with respect to municipal finance-related functions and activities as the town may  
16 from time to time provide by bylaw.

17 SECTION 2. Finance Director. The department of municipal finance shall be under the  
18 direct control and supervision of a finance director who shall report to the town administrator.  
19 The finance director shall be appointed by the town administrator in consultation with the  
20 chairpersons of the finance and capital outlay committees; provided, however, that said  
21 appointment shall be subject to the bylaws of said town of Carver, as they may be amended from  
22 time-to-time, that provide for the appointment of officers of the town by the administrator. The  
23 finance director may be removed by the town administrator, provided, however, that such  
24 removal shall take effect on the fifteenth (15th) day following the day on which written notice is  
25 provided to the board of selectmen, unless the board of selectmen shall, within that period, vote  
26 to reject such removal or sooner affirm it. The finance director shall be a person especially fitted  
27 by education, experience and training to perform the duties of the office. The salary, fringe  
28 benefits and other conditions of employment of the finance director may be established by  
29 contract, subject to appropriation, for a period of up to five years, including but not limited to,  
30 severance pay, relocation expenses, reimbursement for expenses incurred in the performance of

69 and responsibilities of and be subject to the liabilities and penalties conferred and imposed by  
70 law on the offices of treasurer and collector and town accountant under the General Laws, except  
71 as provided herein. The town administrator in consultation with the finance director and the  
72 chairpersons of the finance and capital outlay committees shall appoint the treasurer-collector  
73 and town accountant, if such positions are separate from the position of finance director;
