256 SECTION 10. The General Laws are hereby amended by inserting after chapter 131A the

258 CHAPTER 131B

259 WILDLIFE VIOLATOR COMPACT

260 The governor shall enter into a compact on behalf of the commonwealth with any other
261 jurisdiction legally joining therein in the form substantially as follows:-

262 ARTICLE I. Findings and Purpose

263 (a) The participating states find that:

264 (1) wildlife resources are managed in trust by the respective states for the benefit of all
265 residents and visitors;

266 (2) the protection of the wildlife resources of a state is materially affected by the degree
267 of compliance with state statutes, laws, regulations, ordinances and administrative rules relating
268 to the management of such resources;

269 (3) the preservation, protection, management and restoration of wildlife contributes
270 immeasurably to the aesthetic, recreational and economic aspects of such natural resources;

271 (4) wildlife resources are valuable without regard to political boundaries, therefore every
272 person should be required to comply with wildlife preservation, protection, management and
273 restoration laws, ordinances and administrative rules and regulations of the participating states as
274 a condition precedent to the continuance or issuance of any license to hunt, fish, trap or possess
275 wildlife;

276 (5) violations of wildlife laws interferes with the management of wildlife resources and
277 may endanger the safety of people and property;

(6) the mobility of many wildlife law violators necessitates the maintenance of channels of communication among the various states;

(7) in most instances, a person who is cited for a wildlife violation in a state other than that person's home state is:

(i) Required to post collateral or a bond to secure appearance for a trial at a later date;

(ii) Taken into custody until the collateral or bond is posted; or

(iii) Taken directly to court for an immediate appearance;

(8) the purpose of the enforcement practices set forth in paragraph (7) is to ensure compliance with the terms of a wildlife citation by the cited person who, if permitted to continue on after receiving the citation, could return to that person's home state and disregard the duty established by the terms of the citation;

(9) in most instances, a person receiving a wildlife citation in that person's home state is permitted to accept the citation from the officer at the scene of the violation and immediately continue on after agreeing or being instructed to comply with the terms of the citation;

(10) the practices described in paragraph (7) cause unnecessary inconvenience and, at times, a hardship for the person who is unable to post collateral at the time of the violation, furnish a bond, stand trial or pay a fine and thus is compelled to remain in custody until some alternative arrangement is made; and

(11) the enforcement practices described in paragraph (7) consume an undue amount of time of law enforcement agencies.

298 (b) It is the policy of the participating states to:

299 (1) promote compliance with the statutes, laws, ordinances, regulations and

300 administrative rules relating to the management of wildlife resources in their respective states;

301 (2) recognize a suspension of the wildlife license privileges of any person whose license

302 privileges have been suspended by a participating state and treat such suspension as if it had

303 occurred in each respective state;

304 (3) allow a violator, if that violator's home state is a party to this compact, to continue on,

305 without delay, after receiving a wildlife citation in another member state, except as provided in

306 subsection (2) of Article III;

307 (4) report to the appropriate participating state, as provided in the compact manual, any

308 conviction recorded against a person whose home state was not the issuing state;

309 (5) allow the home state to recognize and treat convictions recorded against its residents,

310 when such conviction occurs in another member state, as though that conviction had occurred in

311 the violator's home state;

312 (6) extend cooperation to its fullest extent among the participating states for enforcing
