63 group of which the insurer is a member.

64 (d)

65 (1) Upon the commissioner's request, and no more than once each year, an insurer shall  
66 submit to the commissioner an ORSA Summary Report or any combination of reports that  
67 together contain the information described in the ORSA Guidance Manual, applicable to the  
68 insurer and/or the insurance group of which it is a member. Notwithstanding any request from  
69 the commissioner, if the insurer is a member of an insurance group, the insurer shall submit the  
70 report(s) required by this subsection if the commissioner is the lead state commissioner of the  
71 insurance group as determined by the procedures within the Financial Analysis Handbook

83 comparable to the information described in the ORSA Guidance Manual. Any such report in a  
84 language other than English must be accompanied by a translation of that report into the English  
85 language.

86 (e)

87 (1) An insurer shall be exempt from the requirements of this chapter, if

88 (i) The insurer has annual direct written and unaffiliated assumed premium,

95 (2) If an insurer qualifies for exemption pursuant to clause (i) of paragraph (1) of this  
96 subsection, but the insurance group of which the insurer is a member does not qualify for  
97 exemption pursuant to clause (ii) of paragraph (1) of this subsection, then the ORSA Summary

98 Report that may be required pursuant to subsection (d) shall include every insurer within the  
99 insurance group. This requirement may be satisfied by the submission of more than one ORSA  
100 Summary Report for any combination of insurers provided any combination of reports includes  
101 every insurer within the insurance group.

102 (3) If an insurer does not qualify for exemption pursuant to clause (i) of paragraph (1) of  
103 this subsection, but the insurance group of which it is a member qualifies for exemption pursuant  
104 to clause (ii) of paragraph (1) of this subsection, then the only ORSA Summary Report that may  
105 be required pursuant to subsection (d) shall be the report applicable to that insurer.

106 (4) An insurer that does not qualify for exemption pursuant to paragraph (1) of this  
107 subsection, may apply to the commissioner for a waiver from the requirements of this chapter  
108 based upon unique circumstances. In deciding whether to grant the insurer's request for waiver,  
109 the commissioner may consider the type and volume of business written, ownership and  
110 organizational structure, and any other factor the commissioner considers relevant to the insurer  
111 or insurance group of which the insurer is a member. If the insurer is part of an insurance group  
112 with insurers domiciled in more than one state, the commissioner shall coordinate with the lead  
113 state commissioner and with the other domiciliary commissioners in considering whether to  
114 grant the insurer's request for a waiver.

115 (5) Notwithstanding the exemptions stated in subsection (e),

116 (i) The commissioner may require that an insurer maintain a risk management  
117 framework, conduct an ORSA and file an ORSA Summary Report based on unique  
118 circumstances including, but not limited to, the type and volume of business written, ownership  
119 and organizational structure, federal agency requests, and international supervisor requests.

120 (ii) The commissioner may require that an insurer maintain a risk management  
121 framework, conduct an ORSA and file an ORSA Summary Report if the insurer has Risk-Based

124 as defined in Section 3(c) of Chapter 175J of the General Laws, or otherwise exhibits qualities  
125 of a troubled insurer as determined by the commissioner.

126 (6) If an insurer that qualifies for an exemption pursuant to subsection (e) subsequently  
127 no longer qualifies for that exemption due to changes in premium as reflected in the insurer's  
128 most recent annual statement or in the most recent annual statements of the insurers within the  
129 insurance group of which the insurer is a member, the insurer shall have one (1) year following  
130 the year the threshold is exceeded to comply with the requirements of this chapter.

131 (f)

133 Manual, subject to the requirements of paragraph (2) of this subsection. Documentation and  
134 supporting information shall be maintained and made available upon examination or upon  
135 request of the commissioner.

136 (2) The review of the ORSA Summary Report, and any additional requests for  
137 information, shall be made using similar procedures currently used in the analysis and  
138 examination of multi-state or global insurers and insurance groups.

148 information in the furtherance of any regulatory or legal action brought as a part of the  
149 commissioner's official duties. The commissioner shall not otherwise make the documents,  
150 materials or other information public without the prior written consent of the insurer unless the  
151 commissioner, after giving the insurer and its affiliates who would be affected thereby, notice  
152 and opportunity to be heard, determines that the interest of policyholders, shareholders or the  
153 public will be served by the publication thereof, in which event he may publish all or any part  
154 thereof in such manner as he may deem appropriate.

155 (2) Neither the commissioner nor any person who received documents, materials or other  
156 ORSA-related information, through examination or otherwise, while acting under the authority
