229 educational agencies to ensure that the child remains in the school which the child is enrolled in
230 at the time of each placement; or, if remaining in such school is not in the best interests of the

231 child, ensure that the child is immediately and appropriately enrolled in a new school and that all

259 may file a motion requesting that the court vacate the order with respect to one or both of the
260 child’s former parents, but only if all of the following apply:

269 the hearing to whichever of the child’s former parents the motion relates, with notice being
270 provided in the manner prescribed for a petition filed under section 24. Neither parent shall be
271 considered a party for the purpose of the motion, nor shall either have an independent right to be
272 heard, though a parent’s testimony may be offered into evidence if the parent is called as a

273 witness by a party. The court shall grant the motion if it determines by a preponderance of

282 department shall work with private and non-profit organizations that have a proven track record
283 of creating such a bond for children.

284 SECTION 19. The secretary of the executive office of health and human services shall
285 work with the secretary of the executive office of labor and workforce development to create
286 individual savings accounts for each youth, age 15 and older, who are in the custody of the

289 the child ages. Each child for which an individual savings account is created shall be allowed to
290 retain the balance of the child's personal account upon release or upon aging out of the custody
291 of the commonwealth.

292 SECTION 20. Section 17 of this act shall apply regardless of whether the two year
293 requirement is met before, on, or after the effective date of this act.
