Re: Plan of Correction - NCCI, Gardner

Dear Superintendent Marchilli:

The Massachusetts Department of Public Health (Department) has received your Plan of Correction (POC) in response to my inspection on September 22, 23, 24, 2014. After review, the Department finds the plan appropriately addresses all of the violations noted in the report with the following exceptions:

1. Please provide documentation that violation 105 CMR 451.353 for unlabeled chemical bottles in the barber shop is corrected.
2. The cover letter to your POC refers to a waiver from the requirement for privacy screens in building A, B, F, G, and H. In a response to your requested waiver on April 8, 2014, Paul Halfmann requested clarification for the showers you are requesting said waiver. Please provide this information.
3. The cover letter to your POC refers to a waiver from 105 CMR 451.141 for the requirement of screens in windows. Please be aware this waiver expired on October 21, 2013. Should you require an additional waiver please submit that request to Paul Halfmann at the address listed above.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

Ryan Michaud
Environmental Health Inspector, CSP, BEH
