## **Service Units and Expenditures Report**

**July 2015**

## **Legislative Mandate**

The following report is hereby issued pursuant to Line Item 4513-1020 of Chapter 165 of the Acts of 2014 as follows:

“For the early intervention program; provided, that the department shall report quarterly to the house and senate committees on ways and means the total number of units of service purchased and the total expenditures for the units of service paid by the department, the executive office of health and human services and third party payers for early intervention services for the following service categories: home visit, center-based individual, child-focused group, parent-focused group and screening and assessment.”

## **Summary**

This report summarizes data from Q1, Q2, and Q3 for the Early Intervention (EI) Program. More specifically, the report identifies the total number of services delivered to clients sorted by the respective payer for each service category. In addition, this report notes the total expenditures for each of the respective payers based on the service type.
