An Act requiring physician training on non-ionizing radiation and electrohypersensitivity.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 2 of chapter 112 of the General Laws, as appearing in the 2012 Official Edition,  
2 is hereby amended by inserting at the end thereof the following paragraph:-

3           The board shall require that any continuing education necessary for the renewal of a  
4 physician’s certificate of registration shall include a course of training and education on the  
5 diagnosis, treatment, and care of patients impacted by non-ionizing radiation. This training shall  
6 recognize Electrohypersensitivity as a functional impairment and additionally recognize the  
7 impact of non-ionizing radiation on biological systems influencing many other health and disease  
8 conditions based on the sum of current knowledge from peer-reviewed or otherwise clearly  
9 credible laboratory and epidemiological scientific studies.
