PRESENTED BY:

Donald F. Humason, Jr., (BY REQUEST)

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act requiring physician training on non-ionizing radiation and electrohypersensitivity.

PETITION OF:

NAME:

Kristin Beatty

DISTRICT/ADDRESS:

149 Central Park Drive Holyoke, MA 01040

SENATE No.

By Mr. Humason (by request), a petition (accompanied by bill, Senate, No. 0000) (subject to Joint Rule 12) of Kristin Beatty for legislation to require physician training on non-ionizing radiation and electrohypersensitivity. Public Health.

The Commonwealth of Massachusetts

**In the One Hundred and Eighty-Ninth General Court
(2015-2016)**

An Act requiring physician training on non-ionizing radiation and electrohypersensitivity.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 2 of chapter 112 of the General Laws, as appearing in the 2012 Official Edition,
2 is hereby amended by inserting at the end thereof the following paragraph:-

3 The board shall require that any continuing education necessary for the renewal of a
4 physician’s certificate of registration shall include a course of training and education on the
5 diagnosis, treatment, and care of patients impacted by non-ionizing radiation. This training shall
6 recognize Electrohypersensitivity as a functional impairment and additionally recognize the
7 impact of non-ionizing radiation on biological systems influencing many other health and disease
8 conditions based on the sum of current knowledge from peer-reviewed or otherwise clearly
9 credible laboratory and epidemiological scientific studies.
