SENATE No.

By Mr. Lewis, a petition (accompanied by bill, Senate, No.) of Jason M. Lewis and Michael S. Day for legislation relative to the energy facilities siting board. Telecommunications, Utilities and Energy.

The Commonwealth of Massachusetts

**In the One Hundred and Eighty-Ninth General Court
(2015-2016)**

An Act relative to the energy facilities siting board.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1: Section 69H of Chapter 164 of the Massachusetts General Laws, as
2 appearing in the 2014 Official Edition, is hereby amended by striking out the first paragraph and
3 inserting in place thereof the following paragraph:-

4 “There is hereby established an energy facilities siting board within the department, but
5 not under the supervision or control of the department. Said board shall implement the provisions
6 contained in sections 69H to 69Q, inclusive, so as to provide a reliable energy supply for the
7 commonwealth with a minimum impact on the environment and public health, and with a
8 minimum impact on the overall wellbeing of residents abutting the project at the lowest possible
9 cost after these impacts are considered. To accomplish this, the board shall review the
10 environmental and public health impacts, the need for and the cost of transmission lines, natural
11 gas pipelines, facilities for the manufacture and storage of gas, and oil facilities; provided,
12 however, that the board shall review only the environmental impacts of generating facilities,

13 consistent with the commonwealth's policy of allowing market forces to determine the need for
14 and cost of such facilities. Such reviews shall be conducted consistent with section 69J1/4 for
15 generating facilities and with section 69J for all other facilities.”
