Re: Plan of Correction – MCI Framingham

Dear Superintendent Hallett:

The Massachusetts Department of Public Health (Department) has received your Plan of Correction in response to my inspection on June 7 and 8, 2016. After review, the Department finds the plan appropriately addresses all of the violations noted in the report with the following exceptions:

1. In the instance you state "Funds Requested for Repair," please indicate an estimated date of completion for this project.
2. In regards to the issue of overcrowding, the Department appreciates the limitations of correctional facilities and the need to accommodate the ever-increasing population; however we remain concerned with the overcrowded conditions.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

Amy Riordan, MPH
