An Act establishing a local option gasoline and diesel fuel excise.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 64A of the General Laws, as appearing in the 2014 Official Edition, is hereby
2 amended by inserting after section 13 the following section:-

3 Section 14. (a) Any city or town that accepts this section may impose a local excise tax
4 on the sale of gasoline and diesel fuel within such city or town at a rate up to but not exceeding 5
5 cents per gallon. Such excise tax shall be in addition to the amount of: (1) any tax per gallon on
6 gasoline pursuant to this chapter, and (2) any tax per gallon on diesel fuel pursuant to chapter
7 64E. The excise shall be recorded, paid and collected in accordance with this chapter or chapter
8 64E, as applicable, including any exemptions and reimbursements.

9 (b) All sums received by the commissioner under this section shall at least quarterly be
10 distributed, credited, and paid by the state treasurer, upon certification of the commissioner, to
11 each city and town that has adopted this section in proportion to the amount of such sums
12 received from that city or town.

13 (c) Each participating city or town, prior to the collection of the local excise, shall
14 establish a Municipal Fuel Excise Transportation and Stormwater Fund, and the treasurer of such
15 city or town shall deposit all sums received pursuant to this section into the fund. Expenditures
16 from the fund shall only be made for the purposes of maintenance, repair, upkeep, construction
17 or improvement of roads, bridges, sidewalks, bikeways, public parking areas, for public transit
18 purposes or for costs associated with stormwater management within the participating city or
19 town. All moneys remaining in the fund at the end of any fiscal year, whether or not expended by
20 the city or town within 1 year of the date they were appropriated into the fund, shall remain in
21 and become part of the fund and shall carry over to succeeding fiscal years. Interest earned shall
22 remain with and become a part of the fund.

23 (d) The commissioner of the department of revenue shall make available to any city or
24 town requesting such information the total amount of local excise tax collected pursuant to this
25 section in the preceding fiscal year in the city or town requesting the information.

26 (e) A city or town may accept this section in the manner provided in section 4 of chapter
27 4. This section shall take effect on the first day of the calendar quarter beginning 30 days after
28 such approval, or on the first day of such later calendar quarter as the city or town may designate.
