The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

An Act relative to the revenue to the stabilization fund.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 1. Notwithstanding any provision of the constitution to the contrary, the
2 governor shall submit a balanced budget for the state’s fiscal year to the general court; provided,
3 that no action on its part shall be taken which will cause an excess of appropriations for revenue
4 expenditures over expected revenue receipts. If additional appropriations are deemed necessary
5 by the general court, it shall not make the appropriations unless it shall provide the necessary
6 additional revenue therefor.

7 The term balanced budget shall mean a condition of state finance in which the following
8 requirements are met: (a) the consolidated net surplus at the end of the fiscal year is greater than
9 or equal to one-half of 1 per cent of revenue receipts for such fiscal year; and (b) the amount
10 transferred to the Commonwealth Stabilization Fund established by section 2 that is greater than

11 or equal to 1/2 of 1 per cent of revenue receipts for such fiscal year. The term consolidated net
12 surplus shall mean the sum of the undesignated balances in the budgetary funds, except those
13 funds exempted by the general court.

14 Section 2. There shall be a Commonwealth Stabilization Fund consisting of funds from
15 the undesignated fund balances in the budgetary funds established by the general court. No
16 funds shall be transferred from the Commonwealth Stabilization Fund except by a vote by the
17 two branches which shall be recorded by roll call vote.

18 Section 3. The comptroller of the commonwealth shall annually, on or before October
19 31, certify to the governor the amount of the consolidated net surplus in the budgetary funds at
20 the close of the preceding fiscal year. The amounts so certified shall be disposed as follows: (a)
21 an amount equal to 1/2 of 1 per cent of the total revenue from taxes in the preceding fiscal year
22 shall be available to be used as revenue for the current fiscal year and 1/2 of 1 per cent of the
23 total revenue from taxes in the preceding fiscal year shall be transferred to the Commonwealth
24 Stabilization Fund; (b) any remaining amount of such consolidated net surplus after amounts
25 made available in clause (a) shall be transferred to the Commonwealth Stabilization Fund; and
26 (c) all transfers specified in this section shall be made from the undesignated fund balances in the
27 budgetary funds proportionally from those undesignated fund balances, but no such transfer shall
28 cause a deficit in any of those funds; provided, however, that prior to certifying the consolidated
29 net surplus in accordance with this section, the comptroller shall, to the extent possible, eliminate
30 deficits in any fund contributing to the surplus by transferring positive fund balances from any
31 other fund contributing to the surplus.
