SEE HOUSE, NO. 2694 OF 2015-2016.]

## The Commonwealth of Massachusetts

\_\_\_\_\_  
In the One Hundred and Ninetieth General Court  
(2017-2018)  
\_\_\_\_\_

An Act establishing a tax incentive for small property improvements.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 59 of the General Laws is hereby amended by adding the following  
2 new section after section 2D:

3           Section 2E. (1) Any city or town that accepts the provisions of this section by a vote of  
4 the local legislative body shall allow any property owner, within that city or town, where in any  
5 fiscal year the real estate by that property owner is assessed at \$500,000 or less and is improved  
6 by the property owner such that the next fiscal year's assessed value increases due to such  
7 improvements, a deduction from their assessed property tax liability as follows:

8           (a) For the first fiscal year after the improvement is completed, any increase in the tax  
9 liability due to the improvement may be deducted from the tax liability based on the original  
10 assessed property value prior to the completion of the improvement

(b) For the second fiscal year after the improvement is completed, half of the increase in the tax liability due to the improvement may be deducted from the tax liability based on the original assessed property value prior to the completion of the improvement

(c) For the third fiscal year after the improvement is completed, any increase in the tax liability due to the improvement may be deducted from the tax liability based on the current assessed property value

(d) For the fourth fiscal year after the improvement is completed, half of the increase in the tax liability due to the improvement shall be added to the tax liability based on the original assessment property value prior to the completion of the improvement

(e) For the fifth fiscal year after the improvement is completed and all subsequent fiscal years, the property owner's tax liability shall reflect the fully assessed property value.

(2) Should a city or town adopt the provisions in clause (1) of this section, the assessor must include on each property tax bill or notice, as referenced in Section 3A of Chapter 60, reasons for any increase in the assessed value of a property from one fiscal year to another, including but not limited to the increased value of a property due to improvements made by the property owner.

SECTION 2: Only one credit may be in use concurrently.

SECTION 3: The sections of this bill shall take effect upon passage.
