By Mr. Koczera of New Bedford, a petition (accompanied by bill, House, No. 1756) of Robert M. Koczera and others relative to abandoned beverage container recycling grants for municipalities and state parks. Telecommunications, Utilities and Energy.

The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

An Act relative to recycling grants for municipalities and state parks.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 323D of chapter 94 of the General Laws, as so appearing in the
2 2014 Official Edition, is hereby amended by the striking out, in lines 5 through 8, inclusive, the
3 last sentence, and inserting in place thereof, the following sentence:- Forty per cent of the
4 amounts collected by the commission of revenue pursuant to this section shall be deposited in the
5 Municipal Recycling Grant Fund, established pursuant to section 323G.

6 SECTION 2. Chapter 94, of the General Laws is hereby amended by inserting after
7 section 323E, the following section:-

8 Section 323G. (a) There shall be established and set up on the books of the
9 commonwealth a separate fund to be known as the Municipal Recycling Grant Fund, hereinafter
10 referred to as the fund. The fund shall be credited with 40 per cent of the monies collected by the
11 commissioner of revenue from deposit amounts for abandoned beverage containers under section
12 323D, any appropriation or other monies authorized by the general court which are specifically

13 designated to be credited to the fund, and any income derived from the investment of amounts
14 credited to the fund.

15 (b) The secretary of energy and the environment shall administer the fund. All amounts
16 credited to the fund may be expended without appropriation only for the following purposes:

17 (1) Not less than 70 per cent of the monies credited annually to the fund shall be awarded
18 to municipalities through a scored-grant application process. This funding shall be used to
19 provide funding for: solid waste reduction, recycling, littering, and composting programs and
20 initiatives; outreach programs; sustainable material recovery programs and initiatives; and
21 recycling equipment and infrastructure improvements. Expenditures for such programs,
22 initiatives and infrastructure may include, but are not limited to: (i) municipal programs for
23 recycling, litter reduction, and waste reduction, such as unit-based pricing, pay-as-you-throw
24 (PAYT) programs, save money and reduce trash (SMART) programs, single stream recycling
25 collection programs, organic and food waste composting programs and initiatives, and programs
26 to increase recycling in public areas and facilities; (ii) municipal grants for waste recycling
27 equipment and infrastructure improvements; (iii) grants for waste recycling and food waste
28 composting in schools; (iv) programs to increase commercial and institutional recycling and
29 composting; (v) financial assistance equipment grants for recycling service providers; (vi)
30 municipal grants for litter cleanup and disposal, education, and enforcement of litter laws; (vii)
31 programs for the enforcement of the solid waste regulations by the department of environmental
32 protection; and (viii) innovative initiatives and programs to reduce or recycle solid wastes.

33 (2) Any remaining amounts credited annually to the fund shall be used for (i) recycling
34 and litter reduction measures at all state parks, state forest recreation areas, and state reservations

35 that are maintained and under the control of the department of conservation and recreation; and
36 for (ii) improvements to state parks, state forest recreation areas and state reservations that are
37 under the control of the department; provided the improvements, if applicable, shall meet or
38 exceed, the current Leadership in Energy and Environmental Design (LEED) building standards
39 established by the U.S. Green Building Council.

40 (c) Monies deposited into the fund that are unexpended at the end of the fiscal year shall
41 not revert to the General Fund and shall be available for expenditure in the subsequent fiscal
42 year. The fund shall be exempt from any indirect and fringe benefits assessment related to the
43 administration of the fund.

44 (d) The secretary of energy and environmental affairs shall report annually, not later than
45 January 15, to the house and senate committees on ways and means and the joint committees on
46 environment, natural resources and agriculture, relative to the source and amount of funds
47 deposited into the fund, and the amount distributed to each recipient, and the purpose and
48 recipient of expenditures from the fund.
